The named insured shall be the Association individually and as agent for the apartment owners, without naming them, and as agent for their mortgagees. Provision shall be made for the issuance of mortgagee endorsements and memoranda of insurance to the mortgagees of apartment owners. Such policies shall provide that payments by the insurer for losses shall be made to the Insurance Trustee designated below, and all policies and their endorsements shall be deposited with the Insurance Trustee. Apartment owners may obtain coverage at their own expense upon their personal property and for their personal liability and living expense.

8.2 Coverage.

a. Casualty. All buildings and improvements upon the land shall be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, and all personal property included in the common elements shall be insured for its value, all as determined annually by the board of directors of the Association. Such coverage shall afford protection against:

PL 1392-13

(2) - such other risks as from time to time shall be customarily covered with respect to the buildings similar in construction, location and use as the buildings on the land, including but not limited to vandalism and malicious mischief.

b. c. Workmen's compensation policy to meet the requirements of law.

d. Such other insurance as the board of directors of the Association shall determine from time to time to be desirable.

8.3 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a common expense.

8.4 Insurance trustee; shares of proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association and the apartment owners and their mortgagees as their interest may appear, and shall provide that all proceeds covering property losses shall be paid to the Ormond Beach First National Bank, as Trustee, or to such bank in Florida with trust powers as may be designated as insurance trustee by the board of directors of the Association, which trustee is referred to in this instrument as the Insurance Trustee. The Insurance Trustee shall not be liable for payment of premiums nor for the renewal or the sufficiency of

HB 1592, 15

policies nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and hold the proceeds in trust for the purposes elsewhere stated in this instrument and for the benefit of the apartment owners and their mortgagees in the following shares, but which shares need not be set forth on the records of the Insurance Trustee:

a. Common elements. Proceeds on account of damage to common elements and undivided share for each apartment owner, such share being the same as the undivided share in the common elements appurtenant to his apartment.

b. Apartments. Proceeds on account of damage to apartments shall be held in the following undivided shares:

(1) When the building is to be restored - for the owners of damaged apartments in proportion to the cost of repairing the damage suffered by each apartment owner, which cost shall be determined by the Association.

c. Mortgagees. In the event a mortgagee endorsement has been issued as to an apartment, the share of the apartment owner shall be held in trust for the mortgagee and the apartment owner as their interests may appear; provided, however, that no mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except distribution of such proceeds made to the apartment owner and mortgagee pursuant to the provisions of this Declaration.

8.5 Distribution of proceeds. Proceeds of insurance poli-

ceeds received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial owners in the following manner:

a. Expense of the trust. All expenses of the Insurance Trustee shall be paid first or provision made for such payment.

b. Reconstruction or repair. If the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost of such as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners, remittances to apartment owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of an apartment and may be enforced by such mortgagee.

c. Failure to reconstruct or repair. If it is determined in the manner elsewhere provided that the damage for which proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial owners, remittances to apartment owners and their mortgagees being payable jointly by them. This is a covenant for the benefit of any mortgagee of an apartment and may be enforced by such mortgagee.

d. Certificate. In making distribution to apartment owners and their mortgagees, the Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary as to the names of the apartment owners and their respective shares of the distribution.

8.6 Association as agent. The Association is irrevocably appointed agent for each apartment owner and for each owner of a mortgage or other lien upon an apartment and for each owner of any

other interest in the condominium property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

9. RECONSTRUCTION OR REPAIR AFTER CASUALTY

9.1 Determination to reconstruct or repair. If any part of the condominium property shall be damaged by casualty, whether or not it shall be constructed or repaired shall be determined in the following manner:

a. Common element. If the damaged improvement is a common element, the damaged property shall be reconstructed or repaired, unless it is determined in the manner elsewhere provided that the condominium shall be terminated.

b. Apartment building.

(1) Lesser damage. If the damaged improvement is the apartment building, and if apartments to which 50% of the common elements are appurtenant are found by the board of directors of the Association to be tenantable, the damaged property shall be reconstructed or repaired unless within 60 days after the casualty it is determined by agreement in the manner elsewhere provided that the condominium shall be terminated.

(2) Major damage. If the damaged improvement is the apartment building, and if apartments to which more than 50% of the common elements are appurtenant are found by the board of directors to be not tenantable, then the damaged property will not be reconstructed or repaired and the condominium will be terminated without agreement as elsewhere provided, unless within 60 days after the casualty the owners of 75% of the common elements agree in writing to such reconstruction or repair.

RECEIVED

c. Certificate. The insurance Trustee may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

9.2 Plans and specifications. Any reconstruction or repair must be substantially in accordance with the plans and specifications approved by the board of directors of the Association, and if the damaged property is the apartment building, by the owners of not less than 75% of the common elements, including the owners of all damaged apartments, which approval shall not be unreasonably withheld.

9.3 Responsibility. If the damage is only to those parts of one apartment for which the responsibility of maintenance and repair is that of the apartment owner, then the apartment owner shall be responsible for reconstruction and repair after casualty. In all other instances the responsibility of reconstruction and repair after casualty shall be that of the Association.

9.4 Estimates of costs. Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

9.5 Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, assessments shall be made against the apartment owners who

1582 10

own the damaged apartments, and against all apartment owners in the case of damage to common elements, in sufficient amounts to provide funds for the payment of such costs. Such assessments against apartment owners for damage to apartments shall be in proportion to the cost of reconstruction and repair of their respective apartments. Such assessments on account of damage to common elements shall be in proportion to the owner's share in the common elements.

9.6 Construction funds. The funds for payment of costs of reconstruction and repair after casualty, which shall consist of proceeds of insurance held by the Insurance Trustee and funds collected by the Association from assessments against apartment owners, shall be disbursed in payment of such costs in the following manner:

a. Association. If the total of assessments made by the Association in order to provide funds for payment of costs of reconstruction and repair that is the responsibility of the Association is more than \$5,000.00, then the sums paid upon such assessments shall be deposited by the Association with the Insurance Trustee. In all other cases the Association shall hold the sums paid upon such assessments and disburse them in payment of the costs of reconstruction and repair.

b. Insurance Trustee. The proceeds of insurance collected on account of a casualty, and the sums deposited with the Insurance Trustee by the Association from collections of assessments against apartment owners on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(1) Association-lesser damage. If the amount of

the estimated costs of reconstruction and repair that is the responsibility of the Association is less than \$5,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Association, provided, however, that upon request to the Insurance Trustee by a mortgagee that is a beneficiary of an insurance policy the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided for the reconstruction and repair of major damage.

(2) Association-major damage. If the amount of the estimated costs of reconstruction and repair that is the responsibility of the Association is more than \$5,000.00, then the construction fund shall be disbursed in payment of such costs in the manner required by the board of directors of the Association and upon approval of an architect qualified to practice in Florida and employed by the Association to supervise the work.

(3) Apartment owner. The portion of insurance proceeds representing damage for which the responsibility of reconstruction and repair lies with an apartment owner shall be paid by the Insurance Trustee to the apartment owner, or if there is a mortgagee endorsement as to the apartment, then to the apartment owner and the mortgagee jointly, who may use such proceeds as they may be advised.

(4) Surplus. It shall be presumed that the first moneys disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be

distributed to the beneficial owners of the fund in the manner elsewhere stated; except, however, that the part of a distribution to a beneficial owner that is not in excess of assessments paid by such owner into the construction fund shall not be made payable to any mortgagee.

(5) Certificate. Notwithstanding the provisions of this instrument, the Insurance Trustee shall not be required to determine whether or not sums paid by the apartment owners upon assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be upon the order of the Association or upon approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund nor to determine the payee nor the amount to be paid. Instead, the Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary as to any or all of such matters and stating the name of the payee and the amount to be paid; provided that when a mortgagee is required in this instrument to be named as payee, the Insurance Trustee shall also name the mortgagee as a payee of any distribution of insurance proceeds to a unit owner; and further provided that when the Association or a mortgagee that is the beneficiary of an insurance policy whose proceeds are included in the construction fund, so required, the approval of an architect named by the Association shall be first obtained by the Association upon disbursements in payment of costs of reconstruction and repair.

10. Use restrictions. The use of the condominium property shall be in accordance with the following provisions as long as the condominium exists and the apartment building in useful condition

exists upon the land.

10.1 Apartments. Each of the apartments, together with the parking garages that are a part of them, shall be occupied only by a family, its servants and guests, as a residence and for no other purpose. Except as reserved to Developer, no apartment may be divided or subdivided into a smaller unit nor any portion sold or otherwise transferred without first amending this Declaration to show the changes in the apartments to be effected.

10.2 Common elements. The common elements shall be used only for the purposes for which they are intended in the furnishing of services and facilities for the enjoyment of the apartments.

10.3 Nuisances. No nuisances shall be allowed upon the condominium property, nor any use or practice that is the source of annoyance to residents or which interferes with the peaceful possession and proper use of the property by its residents. All parts of the condominium shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate nor any fire hazard allowed to exist. No apartment owner shall permit any use of his apartment or make any use of the common elements that will increase the cost of insurance upon the condominium property.

10.4 Lawful use. No immoral, improper, offensive or unlawful use shall be made of the condominium property nor any part of it; and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies for maintenance, modification or repair of the condominium property shall be the same as the responsibility for the maintenance and repair of the property concerned.

10.5 Leasing. After approval by the Association elsewhere required, entire apartments may be rented provided the occupancy is only by the lessee and his family, its servants and guests. No rooms may be rented, no maids' rooms may be rented except as a part of an apartment or to another apartment owner, and no transient tenants may be accommodated.

10.6 Regulations. Reasonable regulations concerning the use of condominium property may be made and amended from time to time by the Association in the manner provided by its Articles of Incorporation and Bylaws. Copies of such regulations and amendments shall be furnished by the Association to all apartment owners and residents of the condominium upon request.

10.7 Proviso. Provided, however, that until Developer has completed all of the contemplated improvements and closed the sales of all of the apartments and maids' rooms of the condominium, neither the apartment owners nor the Association nor the use of the condominium property shall interfere with the completion of the contemplated improvements and the sale of the apartments. Developer may make such use of the unsold units and common areas as may facilitate such completion and sale, including but not limited to maintenance of a sales office, the showing of the property and the display of signs.

11. Maintenance of Community interests. In order to maintain a community of congenial residents who are financially responsible and thus protect the value of the apartments, the transfer of apartments by any owner other than the Developer shall be subject to the following provisions as long as the condominium exists upon

the land, which provisions each apartment owner covenants to observe.

11.1 Transfers subject to approval.

a. Sale. No apartment owner may dispose of an apartment or any interest in an apartment by sale without approval of the Association except to an apartment owner.

b. Lease. No apartment owner may dispose of an apartment or any interest in an apartment by lease without approval of the Association except to an apartment owner.

c. Gift. If any apartment owner shall acquire his title by gift, the continuance of his ownership of his apartment shall be subject to the approval of the Association.

d. Devise or inheritance. If any apartment owner shall acquire his title by devise or inheritance, the continuance of his ownership of his apartment shall be subject to the approval of the Association.

e. Other transfers. If any apartment owner shall acquire his title by any manner not considered in the foregoing subsections, the continuance of his ownership of his apartment shall be subject to the approval of the Association.

11.2 Approval by Association. The approval of the Association that is required for the transfer or ownership of apartments shall be obtained in the following manner:

a. Notice to Association.

(1) Sale. An apartment owner intending to make a bona fide sale of his apartment or any interest in it shall give to the Association notice of such intention, together with the name and address of the intended purchaser and such other informa-

tion concerning the intended purchaser as the Association may reasonably require. Such notice at the apartment owner's option may include a demand by the apartment owner that the Association furnish a purchaser of the apartment if the proposed purchaser is not approved; and if such demand is made, the notice shall be accompanied by an executed copy of the proposed contract to sell.

(2) Lease. An apartment owner intending to make a bona fide lease of his apartment or any interest in it shall give to the Association notice of such intention, together with the name and address of the intended lessee, such other information concerning the intended lessee as the Association may reasonably require and an executed copy of the proposed lease.

(3) Gift; devise or inheritance; other transfers. An apartment owner who has obtained his title by gift, devise or inheritance, or by any other manner not previously considered, shall give to the Association notice of the acquiring of his title, together with such information concerning the apartment owner as the Association may reasonably require, and a certified copy of the instrument evidencing the owner's title.

(4) Failure to give notice. If the above required notice to the Association is not given, then at any time after receiving knowledge of a transaction or event transferring ownership or possession of an apartment, the Association at its election and without notice may approve or disapprove the transaction or ownership. If the Association disapproves the transaction or ownership, the Association shall proceed as if it had received the required notice on the date of such disapproval.

b. Certificate of approval.

(1) Sale. If the proposed transaction is a sale, then within 30 days after receipt of such notice and information the Association must either approve or disapprove the proposed transaction. If approved, the approval shall be stated in a certificate executed by the President and Secretary of the Association, which shall be recorded in the public records of Volusia County, Florida at the expense of the purchaser.

(2) Lease. If the proposed transaction is a lease, then within 30 days after receipt of such notice and information the Association must either approve or disapprove the proposed transaction. If approved, the approval shall be stated in a certificate executed by the President and Secretary of the Association in recordable form, which, at the election of the Association, shall be delivered to the lessee or shall be recorded in the public records of Volusia County, Florida at the expense of the lessee.

(3) Gift; devise or inheritance; other transfers.

If the apartment owner giving notice has acquired his title by gift, devise or inheritance or in any other manner, then within 30 days after receipt of such notice and information the Association must either approve or disapprove the continuance of the apartment owner's ownership of his apartment. If approved, the approval shall be stated in a certificate executed by the President and Secretary of the Association, which shall be recorded in the public records of Volusia County, Florida at the expense of the apartment owner.

c. Approval of corporate ownership or purchaser.

Inasmuch as the condominium may be used only for residential purposes

PH 1592 27

and a corporation cannot occupy an apartment for such use, if the apartment owner or purchaser of an apartment is a corporation, the approval of ownership by the corporation may be conditioned by requiring that all persons occupying the apartment be approved by the Association.

11.3 Disapproval by Association. If the Association shall disapprove a transfer or ownership of an apartment, the matter shall be disposed in the following manner:

a. Sale. If the proposed transaction is a sale and if the notice of sale given by the apartment owner shall so demand, then within 30 days after receipt of such notice and information the Association shall deliver or mail by registered mail to the apartment owner an agreement to purchase the apartment concerned by a purchaser approved by the Association who will purchase and to whom the apartment owner must sell the apartment upon the following terms:

(1) At the option of the purchaser to be stated in the agreement, the price to be paid shall be that stated in the disapproved contract to sell or shall be the fair market value determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the apartment; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

(2) The purchase price shall be paid in cash.

1532 25

(3) The sale shall be closed within 30 days after the delivery or mailing of the agreement to purchase, or within 10 days after the determination of the sale price as such is by arbitration, whichever is the later.

(4) A Certificate of the Association executed by its President and Secretary and approving the purchaser shall be recorded in the public records of Volusia County, Florida, at the expense of the purchaser.

(5) If the Association shall fail to provide a purchaser upon the demand of the apartment owner in the manner provided, or if a purchaser furnished by the Association shall default in his agreement to purchase, then notwithstanding the disapproval, the proposed transaction shall be deemed to have been approved and the Association shall furnish a certificate of approval as elsewhere provided, which shall be recorded in the public records of Volusia County, Florida, at the expense of the purchaser.

b. Lease. If the proposed transaction is a lease, the apartment owner shall be advised of the disapproval in writing, and the lease shall not be made.

c. Gifts; devise or inheritance; other transfers.

If the apartment owner giving notice has acquired his title by gift, devise or inheritance, or in any other manner, then within 30 days after receipt from the apartment owner of the notice and information required to be furnished, the Association shall deliver or mail by registered mail to the apartment owner an agreement to purchase the apartment concerned by a purchaser approved by the Association who will purchase and to whom the apartment owner must sell the

RE 1592 20

apartment upon the following terms:

(1) The sale price shall be the fair market value determined by agreement between the seller and purchaser within 30 days from the delivery or mailing of such agreement. In the absence of agreement as to price, the price shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the apartment and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

(2) The purchase price shall be paid in cash.

(3) The sale shall be closed within 10 days following the determination of the sale price.

(4) A Certificate of the Association executed by its President and Secretary and approving the purchaser shall be recorded in the public records of Volusia County, Florida, at the expense of the purchaser.

(5) If the Association shall fail to provide a purchaser as required by this instrument, or if a purchaser furnished by the Association shall default in his agreement to purchase, then notwithstanding the disapproval such ownership shall be deemed to have been approved, and the Association shall furnish a certificate of approval as elsewhere provided, which shall be recorded in the public records of Volusia County, Florida, at the expense of the apartment owner.

11.4 Mortgage. No apartment owner may mortgage his apartment nor any interest in it without the approval of the Association except to a bank, life insurance company or a savings and loan association, or to a vendor to secure a portion or all of the purchase price. The approval of any other mortgagee may be upon conditions determined by the Association or may be arbitrarily withheld.

11.5 Exceptions. The foregoing provisions of this section entitled "Maintenance of Community Interests" shall not apply to a transfer to or purchase by a bank, life insurance company or savings and loan association that acquires its title as the result of owning a mortgage upon the apartment concerned, and this shall be so whether the title is acquired by deed from the mortgagor, his successors or assigns, or through foreclosure proceedings; nor shall such provisions apply to a transfer, sale or lease by a bank, life insurance company or savings and loan association that so acquires its title. Neither shall such provisions require the approval of a purchaser who acquires the title to an apartment at a duly advertised public sale with open bidding provided by law, such as but not limited to execution sale, foreclosure sale, judicial sale or tax sale.

11.6 Unauthorized transactions. Any sale, mortgage or lease not authorized pursuant to the terms of this Declaration shall be void unless subsequently approved by the Association.

12. Compliance and default. Each apartment owner shall be governed by and shall comply with the terms of the Declaration of Condominium, Articles of Incorporation and Bylaws and the Regulations adopted pursuant to those documents, and all of such as they may be amended from time to time. Failure of an apartment owner to comply

with such documents and regulations shall entitle the Association or other apartment owners to the following relief in addition to the remedies provided by the Condominium Act.

12.1 Negligence. An apartment owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his negligence or by that of any member of his family or his or their guests, employees, agents or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. An apartment owner shall pay the Association the amount of any increase in its insurance premiums occasioned by use, misuse, occupancy or abandonment of an apartment or its appurtenances, or of the common elements, by the apartment owner.

12.2 Costs and attorneys' fees. In any proceeding arising because of an alleged failure of an apartment owner or the Association to comply with the terms of the Declaration, Articles of Incorporation of the Association, the Bylaws, or the Regulations adopted pursuant to them, and the documents and Regulations as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be awarded by the court.

12.3 No waiver of rights. The failure of the Association or any apartment owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation of the Association, the Bylaws or the Regulations shall not constitute a waiver of the right to do so thereafter.

13. Amendments. Except as elsewhere provided otherwise, this Declaration of Condominium may be amended in the following manner:

13.1 Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered.

13.2 A resolution for the adoption of a proposed amendment may be proposed by either the board of directors of the Association or by the members of the Association. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, providing such approval is delivered to the Secretary at or prior to the meeting. Except as elsewhere provided, such approval must be either by:

a. not less than 75% of the entire membership of the board of directors and by not less than 75% of the votes of the entire membership of the Association; or

b. not less than 80% of the votes of the entire membership of the Association; or

c. until the first election of directors, only by all of the directors, provided the amendment does not increase the number of apartments nor alter the boundaries of the common elements.

13.3 Proviso. Provided, however, that no amendment shall discriminate against any apartment owner nor against any apartment or class or group of apartments, unless the apartment owners so affected shall consent; And no amendment shall change any apartment nor the share in the common elements appurtenant to it, nor increase the owner's share of the common expenses, unless the record owner of the apartment concerned and all record owners of mortgages on such apartment shall join in the execution of the amendment. Neither shall an amendment make any change in the section entitled

"Insurance" nor in the section entitled "Reconstruction or repair after casualty" unless the record owners of all mortgages upon the condominium shall join in the execution of the amendment.

13.4 Execution and recording. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted, which certificate shall be executed by the officers of the Association with the formalities of a deed. The amendment shall be effective when such certificate and copy of the amendment are recorded in the public records of Volusia County, Florida.

14. Termination. The condominium may be terminated in the following manner in addition to the manner provided by the Condominium Act:

14.1 Destruction. If it is determined in the manner elsewhere provided that the apartment building shall not be reconstructed because of major damage, the condominium plan of ownership will be terminated without agreement.

14.2 Agreement. The condominium may be terminated at any time by the approval in writing of all record owners of apartments and all record owners of mortgages on apartments. If the proposed termination is submitted to a meeting of the members of the Association, the notice of the meeting giving notice of the proposed termination, and if the approval of the owners of not less than 75% of the common elements, and of the record owners of all mortgages upon the apartments, are obtained in writing not later than thirty (30) days from the date of such meeting, then the approving owners shall have an option to buy all of the apartments of the other owners for the period ending on the 60th day from the date of such meeting. Such approvals shall be irrevocable until the expi-

RE 1582 RE 34

ration of the option, and if the option is exercised, the approvals shall be irrevocable. The option shall be upon the following terms.

a. Exercise of option. The option shall be exercised by delivery or mailing by registered mail to each of the record owners of the apartments to be purchased an agreement to purchase signed by the record owners of apartments who will participate in the purchase. Such agreement shall indicate which apartments will be purchased by each participating owner and shall require the purchase of all apartments owned by owners not approving the termination, but the agreement shall effect a separate contract between each seller and his purchaser.

b. Price. The sale price for each apartment shall be the fair market value determined by agreement between the seller and purchaser within 30 days from the delivery or mailing of such agreement, and in the absence of agreement as to price it shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the apartment; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

c. Payment. The purchase price shall be paid in cash.

d. Closing. The sale shall be closed within 10 days following the determination of the sale price.

14.3 Certificate. The termination of the condominium in either of the foregoing manners shall be evidenced by a Certificate of the Association executed by its President and Secretary certifying

MM 1592 MM 35

as to the facts effecting the termination, which certificate shall become effective upon being recorded in the public records of Volusia County, Florida.

14.4 Shares of owners after termination. After termination of the condominium the apartment owners shall own the condominium property and all assets of the Association as tenants in common in undivided shares that shall be the same as the undivided shares in the common elements appurtenant to the owners' apartments prior to the termination.

14.5 Amendment. This section concerning termination cannot be amended without consent of all apartment owners and of all record owners of mortgages upon the apartments.

15. SEVERABILITY AND CONCLUSION

15. Severability. The invalidity in whole or in part of any covenant or restriction, or any section, subsection, sentence, clause, phrase or word, or other provision of this Declaration of Condominium and the Articles of Incorporation, Bylaws and Regulations of the Association shall not affect the validity of the remaining portions.

IN WITNESS WHEREOF, the Developer has executed this Declaration the day and year first above written.

Any person may hold two or more offices except that the President shall not be also the Secretary-Treasurer or an Assistant Secretary. The board of directors from time to time shall elect such other officers and designate their powers and duties as the board shall find to be required to manage the affairs of the Association.

5.2 The President shall be the chief executive officer of the Association. He shall have all of the powers and duties usually vested in the office of president of an association, including, but not limited to the power to appoint committees from among the members from time to time, as he in his discretion may determine appropriate, to assist in the conduct of the affairs of the Association.

The Assistant Secretary shall perform the duties of the Secretary when the Secretary is absent.

5.5 The compensation of all officers and employees of the Association shall be fixed by the directors. The provision that directors' fees shall be determined by members shall not preclude the Board of Directors from employing a director as an employee of the Association nor preclude the contracting with a director for the management of the condominium.

6. Fiscal management. The provisions for fiscal management of the Association set forth in the Declaration of Condominium and Articles of Incorporation shall be supplemented by the following provisions:

6.1 Accounts. The receipts and expenditures of the Association shall be credited and charged to accounts under the following classifications as shall be appropriate, all of which expenditures shall be common expenses:

- a. Current expense, which shall include all receipts and expenditures within the year for which the budget is made including a reasonable allowance for contingencies and working funds.
- b. Reserve for deferred maintenance, which shall include funds for maintenance items that occur less frequently than annually.
- c. Reserve for replacement, which shall include funds for repair or replacement required because of damage, depreciation or obsolescence.
- d. Betterments, which shall include the funds to be used for capital expenditures for additional improvements or additional personal property that will be part of the common elements.
- e. Operations, which shall include the gross revenues from the use of the common elements. Only the additional direct expenses required by the revenue-producing operation will be charged to this account, and any surplus from such operation shall be used to reduce the assessments for the current expense in the year following the year in which the surplus is realized. Losses from operations shall be met by special assessments against apartment owners, which assessments may be made in advance in order to provide a working fund.

6.2 Budget. The board of directors shall adopt a budget for each calendar year that shall include the estimated funds required to defray the common expense and to provide and maintain funds for the foregoing accounts and reserves according to good accounting practices as follows:

- a. Current expense, the amount of which shall not exceed 105% of the budget for this account for the prior year.
- b. Reserve for deferred maintenance, the amount for which shall not exceed 105% of the budget for this account for the prior year.
- c. Reserve for replacement, the amount for which shall not exceed 105% of the budget for this account for the prior year.
- d. Betterments, which shall include the funds to be used for capital expenditures for additional im-

provements or additional personal property that will be a part of the common elements, the amount for which shall not exceed \$20,000.00, provided, however, that in the expenditure of this fund no sum in excess of \$50.00 shall be expended for a single item or purpose without approval of the members of the Association.

- e. Provided, however, that the amount of each budgeted item may be increased over the foregoing limitations when approved by apartment owners entitled to cast not less than 75% of the votes of the entire membership of the Association; and further provided, however, that until Developer of the condominium has completed all of the contemplated improvements and closed the sales of all apartments of the condominium, or until January 15, 1975, or until Developer elects to terminate its control of the condominium, whichever shall first occur, the board of directors may omit from the budget all allowances for contingencies and reserves.
- f. Copies of the budget and proposed assessments shall be transmitted to each member on or before December 1 preceding the year for which the budget is made. If the budget is amended subsequently, a copy of the amended budget shall be furnished to each member.

6.3 Assessments. Assessments against the apartment owners for their shares of the items of the budget shall be made for the calendar year annually in advance on or before December 20 preceding the year for which the assessments are made. If an annual assessment is not made as required, an assessment shall be presumed to have been made in the amount of the last prior assessment and semi-annual installments on such assessment shall be due upon each installment payment date until changed by an amended assessment. In the event the annual assessment proves to be insufficient, the budget and assessments may be amended at any time by the board of directors if the accounts of the amended budget do not exceed the limitations for that year. Any account that does exceed such limitation shall be subject to the approval of the membership of the Association as previously required in these Bylaws. The unpaid assessment for the remaining portion of the calendar year for which the amended assessment is made shall be due upon the date of the assessment if made on or after July 1; and if made prior to July 1, one half of the increase shall be due upon the date of the assessment and the balance of the assessment made upon the next July 1. The first assessment shall be determined by the board of directors of the Association.

6.4 Acceleration of assessment installments upon default.

If an apartment owner shall be in default in the payment of an installment upon an assessment, the board of directors may accelerate the remaining installments of the assessment upon notice to the apartment owner, and then the unpaid balance of the assessment shall come due upon the date stated in the notice, but not less than ten (10) days after delivery of the notice to the apartment owner, or not less than twenty (20) days after the mailing of such notice to him by registered or certified mail, whichever shall first occur.

6.5 Assessments for emergencies.

Assessments for common expenses of emergencies that cannot be paid from the annual assessments for common expenses shall be made only after notice of the need for such is given to the apartment owners concerned. After such notice and upon approval in writing by persons entitled to cast more than one half of the votes of the apartment owners concerned, the assessment shall become effective, and it shall be due after 30 days' notice in such manner as the board of directors of the Association may require in the notice of assessment.

6.6 The depository of the Association shall be such bank or banks as shall be designated from time to time by the directors and in which the moneys of the Association shall be deposited. Withdrawal of moneys from such accounts shall be only by checks signed by such persons as are authorized by the directors.

6.7 An audit of the accounts of the Association shall be made annually by a certified public accountant, and a copy of the audit report shall be furnished to each member not later than April 1 of the year following the year for which the audit is made.

6.8 Fidelity bonds shall be required by the board of directors as they may from time to time direct from all persons handling or responsible for Association funds. The amount of such bonds shall be determined by the directors, but shall not be less than one half of the amount of the total annual assessments against members for common expenses. The premiums on such bonds shall be paid by the Association.

7. Parliamentary rules. Roberts' Rules of Order (latest edition) shall govern the conduct of Association meetings when not in conflict with the Declaration of Condominium, Articles of Incorporation or these Bylaws.

8. Amendments. These Bylaws may be amended in the following manner:

8.1 Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered.

8.2 A resolution adopting a proposed amendment may be proposed

RS 1592 MAR 61

by either the board of directors of the Association or by the members of the Association. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, providing such approval is delivered to the Secretary at or prior to the meeting. Except as elsewhere provided, such approvals must be either by:

- a. Not less than 75% of the entire membership of the board of directors and by not less than 75% of the votes of the entire membership of the Association; or
- b. By not less than 80% of the votes of the entire membership of the Association; or
- c. Until the first election of directors, by all of the directors.

8.3 Proviso. Provided, however, that no amendment shall discriminate against any apartment owner nor against any apartment or class or group of apartments unless the apartment owners so affected shall consent. No amendment shall be made that is in conflict with the Articles of Incorporation or the Declaration of Condominium.

8.4 Execution and recording. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted as an amendment of the Declaration and Bylaws, which certificate shall be executed by the officers of the Association with the formalities of a deed. The amendment shall be effective when such certificate and copy of the amendment are recorded in the public records of Volusia County, Florida.

The foregoing were adopted as the Bylaws of VILLA SERENO ASSOCIATION, INC., a corporation not for profit under the laws of the State of Florida, at the first meeting of the Board of Directors on April 20, 1972.
