assigned, required or permitted to be done by the Association by virtue and authority of the Governing Documents and applicable Law, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the operation, maintenance, administration, repairing, replacing, insuring and improvement of the Property, the Community, the Common Area and all Areas of Common Responsibility. Neither the Articles, the Bylaws nor any of the other Governing Documents shall be amended or interpreted so as to be or become inconsistent with this Declaration. In the event of any such inconsistency, the provisions of this Declaration shall prevail. The Board, and such Officers as the Board may appoint from time to time, shall conduct the affairs of the Association. Notwithstanding anything contained herein to the contrary, pursuant to and consistent with Section 720.317 of the Florida Statutes, electronic voting is permitted as to any matter that requires a vote of the Members.

(b) Directors.

(i) Number. At all times, the Board shall consist of at least (3) Directors and shall always be an odd number. Prior to Turnover, (y) the Board shall consist of three (3) Directors unless Declarant, by notice to the Association, increases the Board; and (z) the number of Directors may not be increased or decreased without Declarant's prior written consent, which consent may be granted or denied by Declarant in its sole and absolute discretion. The term of office of the initial Directors appointed herein by Declarant shall expire at the time of Turnover, unless otherwise required by Florida law. After Turnover, Directors shall be elected to the Board by a vote of the Members. On the Turnover Date the members shall elect three (3) Directors: one (1) Director for a term of one (1) year, one (1) Director for a term two (2) years, and one (1) Director for a term of three (3) years. The candidates receiving the most votes shall be elected to office. Of such candidates receiving the most votes, the candidate with the most votes shall serve as the Director for three (3) years; the candidate receiving the second highest number of votes shall serve as Director for two (2) years; and the candidate receiving the least amount of votes shall serve as Director for one (1) year. At each Annual Members Meeting thereafter, the members shall elect the appropriate number of new Directors at the Annual Members Meeting (except that the term of any Director appointed by Declarant shall extend until the date designated by Declarant, or until the Turnover Date. Notwithstanding anything in the foregoing to the contrary, Declarant shall, without regard to the number of votes allocated to Declarant, be entitled to appoint one (1) Director for as long as Declarant is the Owner of at least five percent (5%) of the total number of Lots within the Property. Nothing contained in the foregoing, however, is intended, nor shall be deemed, to create any obligation upon Declarant to exercise such right to appoint such one (1) Director.

(ii) Appointment; Election. Prior to Turnover, Declarant, as the Class B Member, shall have the sole and absolute right to appoint, remove, and recall all of the Directors; provided, however, that if at any time Declarant is not permitted under Florida law to appoint, remove, or recall such Directors, then the Class A Member shall have the sole and absolute right to elect, remove, and recall all such Directors, which election, removal or recall, to the fullest extent permitted under the Association Act, may be conducted via written consent of the Class A Member, in lieu of a meeting of the Class A Member. Notwithstanding the foregoing, Members other than Declarant are entitled to elect at least one (1) Director if fifty percent (50%) of the Lots in all phases of the Community which will ultimately be operated by the Association have been conveyed to Members other than Declarant. Any Directors appointed by Declarant or elected by the Class B Member prior to Turnover, or appointed or elected by Declarant pursuant to this Section 3.01(b)(ii) need not be Members and need not be residents of the State of Florida. All other Directors shall be Class A Members or designated representatives of the Class B Member, and residents of the State of Florida. After Turnover, no Member or Owner may serve

as a Director if: (i) such Member or Owner is more than ninety (90) days delinquent or deficit with regard to payment of any Monetary Obligation owed to the Association, or (ii) such Member or Owner has been convicted of any felony in the State of Florida or in a United States District or Territorial Court, or has been convicted of any offense in another jurisdiction would be considered a felony in the State of Florida, unless such individual's civil rights have been restored for at least five (5) years as of the date such individual seeks election to the Board. Any Director charged by information or indictment with a felony theft or embezzlement offense involving the Association's funds or property shall immediately be deemed removed from office. The Board shall fill the vacancy according to the provision of this Declaration until the end of the period of the suspension or the end of the Director's term of office, whichever occurs first. However, if the charges are resolved without a finding of guilt or without acceptance of a plea of guilty or nolo contendere, the Director shall be reinstated for any remainder of his or her term of office. A Member who has such criminal charges pending may not be appointed or elected to a position as a Director.

(iii) Educational Requirements. Within ninety (90) days after being elected or appointed to the Board, each Director shall certify in writing to the Secretary that he or she has read the Governing Documents, the Rules and Regulations, and any other written rules and policies of the Association; that he or she will work to uphold such documents and policies to the best of his or her ability; and that he or she will faithfully discharge his or her fiduciary responsibility to the Members. Within ninety (90) days after being elected or appointed to the Board, in lieu of such written certification, the newly elected or appointed Director may submit a certificate of having satisfactorily completed the educational curriculum administered by a Division-approved education provider within one (1) year before or ninety (90) days after the date of election or appointment. The written certification or educational certificate is valid for the uninterrupted tenure of the Director. A Director who does not timely file the written certification or educational certificate shall be suspended from the Board until he or she complies with the requirement. The Board may temporarily fill the vacancy during the period of suspension. The Association shall retain each Director's written certification or educational certificate for inspection by the Members for five (5) years after the Director's appointment or election. However, the Association's failure to have the written certification or educational certificate on file does not affect the validity of any Board action.

(iv) Meetings. A meeting of the Board occurs whenever a quorum of the Board gathers to conduct Association business. All meetings of the Board shall be open to the Members, except for meetings between the Board and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be governed by the attorney-client privilege. Members have the right to attend all meetings of the Board. The right to attend such meetings includes the right to speak at such meetings with reference to all designated items. The Association may adopt written reasonable Rules and Regulations expanding the right of Members to speak and governing the frequency, duration, and other manner of Member statements, which Rules and Regulations may include a sign-up sheet for Members wishing to speak. Notwithstanding any other law, meetings between the Board or a committee and the Association's attorneys to discuss proposed or pending litigation or meetings of the Board held for the purpose of discussing personnel matters are not required to be open to the Members other than Directors. The Board may, by majority consent, permit any directors to participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all Directors participating may simultaneously hear each other during the meeting, such as telephone, real-time video conferencing, or similar real-time electronic or video communication. A Director participating in a meeting by this means is deemed to be present in person at the meeting. Notwithstanding any provision herein to the contrary, the

meeting must be held at a location that is accessible to a physically handicapped person if requested by a physically handicapped person who has a right to attend the meeting. Members may not attend Board meetings via telephone, real-time video conferencing, or similar real-time electronic or video communication, unless specifically approved in advance by the Board by majority consent or adopted by Rule or Regulation.

(c) Officers.

(i) General. The officers of the Association (the “Officers”) shall be a President, who shall be selected from the Board, a Vice President, a Treasurer, and a Secretary. Prior to Turnover, all Officers shall be appointed/elected by the Declarant and may only be removed and replaced by Declarant pursuant to the terms hereof. After Turnover, all Officers shall be elected annually by the Board of Directors and each Officer may be removed by vote of the Directors at any meeting with or without cause. After Turnover, no Member or Owner may serve as an Officer if such Member or Owner is delinquent or deficit more than ninety (90) days with regard to payment of Assessments or any other any Monetary Obligation. Any person may hold two or more offices except that the President shall not also be the Vice President or the Secretary. The Board shall from time to time elect such other Officers and designate their powers and duties as the Board shall find necessary or convenient to manage properly the affairs of the Association. Officers shall serve without compensation or fees; provided, however, nothing herein shall be deemed to prevent reimbursement of out-of-pocket expenses approved by the Board and incurred on behalf of the Association.

(ii) President. The “President” shall be the chief executive officer of the Association. He shall have all of the powers and duties which are usually vested in the office of a president of a Florida not for profit corporation and a Homeowners’ Association. He shall serve as chairman of all Board and Members’ meetings.

(iii) Vice President. The “Vice President” shall, in the absence or disability of the President, exercise the powers and perform the duties of the President. He shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed from time to time by the Board or the President.

(iv) Secretary. The “Secretary” shall keep the minutes of all proceedings of the Directors and the Members. He shall attend to the giving and serving of all notices to the Members and Directors and other notices required by law. He shall keep the official records of the Association, except those of or to be maintained or kept by the Treasurer, and shall perform all other duties incident to the office of a secretary of a Florida not for profit corporation, to the office of a secretary of a Homeowners’ Association, and as may be required by the Directors or the President. From time to time, the duties of the Secretary may be fulfilled by a manager or management company employed by the Association.

(v) Treasurer. The “Treasurer” shall have custody of all funds, securities, and evidences of indebtedness regarding or concerning the Association. He shall keep the books of the Association in accordance with good accounting practices, and shall perform all other duties incident to the office of a treasurer of a Florida not for profit corporation and a Homeowners’ Association. From time to time, the duties of the Treasurer may be fulfilled by a manager or management company employed by the Association.

(vi) Removal. Any Officer charged by information or indictment with a felony theft or embezzlement offense involving the Association’s funds or property shall

immediate be deemed removed from office. As applicable, the Board shall fill the vacancy according to the provision of this Declaration until the end of the period of the suspension or the end of the Officer's term of office, whichever occurs first. However, if the charges are resolved without a finding of guilt or without acceptance of a plea of guilty or nolo contendere, the Officer shall be reinstated for any remainder of his or her term of office. A Member who has such criminal charges pending may not be appointed or elected to a position as an Officer.

(d) Member Meetings.

(i) Annual Meetings. The annual meeting of the Members of the Association shall be held at such place, at such time and on such date each year as is from time to time designated by the Board. Failure to hold an annual meeting timely shall in no way affect the terms of Officers or Directors or the validity of actions of the Directors, the Officers, or the Association.

(ii) Special Meetings. Special meetings of the Members may be called by any one of the following persons or groups:

- (A) The President;
- (B) A majority of the Board of Directors;
- (C) Prior to Turnover, Members representing at least fifty percent (50%) of total voting interests of the Association;
- (D) After Turnover, Members representing at least ten percent (10%) of total voting interests of the Association; or
- (E) The Declarant, so long as Declarant has the right to elect a Director pursuant to Section 720.307 of the Association Act.

(e) Official Records.

(i) Section 720.303(4) of the Association Act defines the "official records" of the Association. The official records shall be made available to an Owner for inspection within ten (10) business days after receipt by the Board or its designee of a written request. This subsection may be complied with by having a copy of the official records available for inspection or copying in the Community or, at the option of the Association, by making the records available to an Owner electronically via the Internet or by allowing the records to be viewed in electronic format on a computer screen and printed upon request. If the Association has a photocopy machine available where the records are maintained, it must provide Owners with copies on request during the inspection if the entire request is limited to no more than 25 pages. An Association shall allow a Member or his or her authorized representative to use a portable device, including a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs, to make an electronic copy of the official records in lieu of the Association's providing the Member or his or her authorized representative with a copy of such records. The Association may not charge a fee to a Member or his or her authorized representative for the use of a portable device. From time to time, the Association may adopt reasonable Rules and Regulations governing the frequency, time, location, notice, official records to be inspected, and manner of inspections by the Owners, but may not require an Owner to demonstrate any proper purpose for the inspection, state any reason for the inspection, or limit an

Owner's right to inspect records to less than one 8-hour business day per month. From time to time, the Association may impose fees to cover the costs of providing copies of the official records, including the costs of copying and the costs required for personnel to retrieve and copy the records if the time spent retrieving and copying the records exceeds one-half hour and if the personnel costs do not exceed \$20 per hour. Personnel costs may not be charged for records requests that result in the copying of 25 or fewer pages. The Association may charge up to 25 cents per page for copies made on the Association's photocopier. If the Association does not have a photocopy machine available where the records are kept, or if the records requested to be copied exceed 25 pages in length, the Association may have copies made by an outside duplicating service and may charge the actual cost of copying, as supported by the vendor invoice. The Association shall maintain an adequate number of copies of the recorded Governing Documents, to ensure their availability to Members and prospective Members. Notwithstanding the foregoing, the following official records are not accessible to Members or Owners:

(A) Any record protected by the lawyer-client privilege as described in Section 90.502 of the Florida Statutes and any record protected by the work-product privilege, including, but not limited to, a record prepared by an Association attorney or prepared at the attorney's express direction which reflects a mental impression, conclusion, litigation strategy, or legal theory of the attorney or the Association and which was prepared exclusively for civil or criminal litigation or for adversarial administrative proceedings or which was prepared in anticipation of such litigation or proceedings until the conclusion of the litigation or proceedings.

(B) Information obtained by an Association in connection with the approval of the lease, sale, or other transfer of a Lot or parcel within the Community.

(C) Personnel records of Association or management company employees, including, but not limited to, disciplinary, payroll, health, and insurance records. For purposes of this subparagraph, the term "personnel records" does not include written employment agreements with an Association or management company employee or budgetary or financial records that indicate the compensation paid to an Association or management company employee.

(D) Medical records of Owners or Community residents.

(E) Social security numbers, driver license numbers, credit card numbers, electronic mailing addresses, telephone numbers, facsimile numbers, emergency contact information, any addresses for an Owner other than as provided for Association notice requirements, and other personal identifying information of any person, excluding the person's name, Lot or parcel designation, mailing address, and property address of the Lot or parcel. Notwithstanding the restrictions in this subparagraph, the Association may print and distribute to the Owners a directory containing the name, parcel address, and telephone number of each Owner. However, an Owner may exclude his or her telephone number from the directory by so requesting in writing to the Association. An Owner may consent in writing to the disclosure of other contact information described in this subparagraph. The Association is not liable for the disclosure of information that is protected under this subparagraph if the

information is included in an official record of the Association and is voluntarily provided by an Owner and not requested by the Association.

(F) Any electronic security measure that is used by the Association to safeguard or protect data, including passwords.

(G) The software and operating system used by the Association which allows the manipulation of data, even if the Owner owns a copy of the same software used by the Association. The data is part of the official records of the Association.

(ii) The Association or its authorized agent is not required to provide any prospective purchaser, lienholder, Member, or, with information about the residential subdivision, Community, or the Association other than information or documents required by Chapter 720 of the Florida Statutes to be made available or disclosed. The Association or its authorized agent may charge a reasonable fee to the prospective purchaser, lienholder, Member, or Owner, or the current Owner or Member for providing good faith responses to requests for information by or on behalf of a prospective purchaser, lienholder, Member, or Owner, other than that required by law, if the fee does not exceed \$150 plus the reasonable cost of photocopying and any attorney fees incurred by the Association in connection with the response.

Section 3.02. Membership. Each Owner (including Declarant) shall be a Member of the Association. The Association membership of each Owner (other than Declarant) shall be appurtenant to and inseparable from the Lot giving rise to such membership, and any transfer of title to a Lot shall automatically transfer to the new Owner the membership in the Association appurtenant to that Lot, without any further action required whatsoever of the Board, the Association, the old Owner or the new Owner.

Section 3.03. Voting Rights and Turnover of Association.

(a) Voting Rights. The Association shall have two (2) classes of voting membership as follows:

(i) Class "A". "Class 'A' Members" or "Class A Members" shall be all Owners, with the exception of Declarant for so long as Declarant retains Class "B" voting rights. Each Class "A" Member shall have one (1) vote for each Lot owned by that Member.

(ii) Class "B". The sole "Class 'B' Member" or "Class B Member" shall be Declarant, or its specifically designated (in writing) successor(s) or assign(s). The Class "B" Member shall be allocated the number of votes equal to the total number of Class "A" Member votes, plus one (1). Class "B" Membership shall cease and become converted to Class "A" membership upon Turnover.

(b) Termination of Class "B" Membership. The Class "B" membership, in its entirety, shall terminate and become converted to Class "A" membership upon the earlier of the following events:

(i) When Declarant, in its sole and absolute discretion, elects to convert the last of its Class "B" membership interests, to Class "A" membership interests; or

(ii) At the Turnover Meeting.

(c) Turnover of Association. Any other provision of this Article III to the contrary notwithstanding, Members Other Than Declarant (as that term is defined below), shall be entitled to elect at least a majority of the members of the Board of Directors not later than Turnover, which shall be: (i) three (3) months after ninety percent (90%) of the Lots in all phases of the Development that will or may ultimately be operated by the Association have been conveyed to Class "A" Members, which Turnover shall occur at the Turnover Meeting; (ii) upon Declarant abandoning or deserting its responsibility to maintain and complete the amenities or infrastructure as disclosed in the Governing Documents, with there being a rebuttable presumption that Declarant has abandoned and deserted the Property if Declarant has unpaid Assessments or guaranteed amounts under FL. STAT. §720.308 for a period of more than 2 years; (iii) upon Declarant filing a petition seeking protection under Chapter 7 of the U.S. Federal Bankruptcy Code; (iv) upon Declarant losing title to the Property through a foreclosure action or the transfer of a deed in lieu of foreclosure, unless the successor owner has accepted an assignment of Declarant's rights and responsibilities hereunder first arising after the date of such assignment; or (v) upon a receiver for the Declarant being appointed by a circuit court and not being discharged within 30 day after such appointment, unless the court determines within 30 days after such appointment that transfer of control would be detrimental to the Association or the Members. For purposes of this Declaration, the term "Member(s) Other Than Declarant" shall not include Builders, contractors or other parties who purchases or holds the title to a Lot for the purpose of constructing a Dwelling thereon for resale.

(d) Turnover of Documents. No later than the Turnover Meeting, Declarant, at Declarant's expense, shall deliver to the Board the documents that Declarant is required to deliver pursuant Subsection 720.307(4) of the Association Act.

Section 3.04. Multiple Owners. When any Lot entitling an Owner to membership in the Association is owned of record in the name of more than one person, party, or entity, whether such persons or entities own said Lot as fiduciaries, joint tenants, tenants in common, tenants in partnership, partners, or in any other manner of joint or common ownership, or if two or more persons or entities aforesaid or otherwise shall have the same fiduciary relationship or rights respecting the same Lot, then unless the instrument, document, or order appointing them or creating the subject tenancy or relationship otherwise directs and it or a copy thereof is filed with the Secretary of the Association or has been recorded in the Public Records, such Owner shall: (i) select one official representative to represent such Lot ("Representative"), which Representative shall be the only person, or party, or entity with the right to exercise any rights of membership in the Association with respect to such Lot, including, but not limited to, voting with respect to such Lot; and (ii) shall notify the Secretary of the Association in writing of the Representative's name and of any change in same as it occurs. The vote of each Representative shall be considered to represent the will of all the Owners of the subject Lot. In the circumstance of such common or joint ownership or rights, if the Owners fail to properly designate a Representative, then the Association may accept the person, party, or entity asserting the right to vote on behalf of the subject Lot as the voting Owner, until notified to the contrary by the other person(s), party(ies), or entity(ies) that also make up the Owner. Upon such notification no Owner of said Lot may vote until the Owner appoints its Representative pursuant to this paragraph.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON AREAS

Section 4.01. Easements. The Association and each Owner (including Declarant) shall have a non-exclusive right and easement of use and enjoyment in and to the Common Area. Said right and easement shall be appurtenant to and pass with the title to each Lot, and shall include, without limitation, the following:

(a) Right-of-way for ingress and egress by vehicles and on foot through and across any Streets or walks in the Common Area for all lawful purposes; and

(b) Rights to connect to, maintain and make use of utility lines, wires, pipes, conduits, cable television lines, telephone lines and equipment, sewers and drainage lines, which may from time to time be in or within the vicinity of the Common Area, but only in accordance with all Laws and the requirements of the applicable Governmental Authorities or entities which regulate said utilities; and

(c) Rights and easements to use and enjoy the Common Area for any purpose not inconsistent with this Declaration, the Articles, the Bylaws, any Recorded Plats, the Rules and Regulations, and applicable Laws.

Section 4.02. Title to Common Area. In accordance with the requirements set forth in Section 3.03(d) hereof, Declarant shall convey to the Association or, if required by the Local Government incidental to the establishment of an MSTU/MSBU as described in Article IV, Section 4.08 hereof, dedicate to the Local Government for the uses and purposes set forth in this Declaration or in any Recorded Plats, fee-simple title in and to the Common Area, free and clear of all encumbrances except current real estate taxes and assessments not yet due and payable, any Recorded Plats, this Declaration and any easements or matters Recorded in the Public Records prior to such conveyances to the Association. Once conveyed to the Association, the Common Area may not be mortgaged, liened or further conveyed without the consent of at least two-thirds (2/3) of the Members (excluding Declarant).

Section 4.03. Limited Common Area. Certain portions of the Community may be designated by Declarant in its sole and absolute discretion as Limited Common Area and reserved for the exclusive use or primary benefit of the Owners, occupants and invitees of certain Lots. By way of illustration and not limitation, Limited Common Areas may include entry features, recreational facilities, landscaped medians and cul-de-sacs, and lakes. Except as otherwise provided herein, all costs associated with the maintenance, repair, replacement, and insurance of Limited Common Areas shall be Limited Common Expenses to be assessed against and paid by the Owners of those Lots to which the Limited Common Area is assigned. As of the Effective Date, there shall be no initial Limited Common Areas.

Declarant reserves the right in its sole discretion to designate any initial or additional Limited Common Areas and assign the exclusive use thereof in Supplemental Declaration(s), the deed conveying the Common Area to the Association, or on the Plat relating to such Common Area; provided, any such assignment shall not preclude the Declarant from later assigning use of the same Limited Common Area to additional Lots, so long as the Turnover Meeting has not occurred. Any matter arising under this Declaration and pertaining to the Limited Common Area and requiring a vote of Members, shall be decided by a vote of only those Members that have been identified by Declarant as being authorized and entitled to utilize and realize the benefits of the Limited Common Area. The Association may adopt Rules and Regulations which govern, among other things, the use of the Limited Common Area. Prior to the Turnover Meeting, the Declarant, shall have the right in its sole discretion to convey additional real estate,

improved or unimproved and/or personal property as additional Limited Common Area which conveyance or dedication to the Association shall be accepted by the Association and thereafter shall (except as may otherwise be set forth herein) be maintained by the Association as Limited Common Expenses.

Section 4.04. Extent of Easements. The rights and easements created in this Article IV shall be governed by the following:

(a) Subject to any rights of Declarant and the Owners set forth in this Declaration, except as to any part of the Common Area that is required to be conveyed to Local Government, the Association shall be responsible for the exclusive operation, management, administration, control, maintenance, repairing, replacing and insuring of the Common Area;

(b) Declarant, until conveyance of fee-simple title to the Association, and the Association thereafter, may reserve unto itself or grant or dedicate (subject to the terms of Article XIII hereof) to Declarant, any Owner, any Governmental Authority and/or to any utility companies, easements and rights-of-way, over, under, in or through the Property, prior to recordation of the Plat, and thereafter through the Common Area for installation, use, maintenance, repair, replacement, and inspection of utility lines and appurtenances for public or private utilities, surface water drainage improvements and areas, or for completion of the development of the Property. No improvements or materials may be placed upon any such easements which may damage or interfere with the installation, maintenance, repairing or replacement of such utilities or the easement area or that may alter or impede the direction or flow of drainage, or that may interfere with completion of development of the Property;

(c) Declarant's rights reserved in this Declaration;

(d) Matters shown in the Public Records or on any Recorded Plats; and

(e) Applicable Laws.

Section 4.05. Additional Easements over Common Area.

(a) Declarant hereby creates, reserves and declares to exist, the following licenses, rights, privileges and easements over, under, in and through the Common Area, subject at all times to the terms and conditions of the Permit and subject to receiving prior written approval of the District as to any activities that may affect or may occur on or within the Stormwater Management System and the Conservation Easement Area, including, but not limited to, any upland buffers: (i) rights-of-way and easements to install, maintain and use electric, lighting, telecommunications, cable television, telephone, gas, water, sewer, drainage and utility poles, wires, cables, conduits, fixtures, pipes, meters, equipment, facilities, ponds, swales, berms or ditches, and such other equipment and improvements necessary, convenient, or desirable for the completion, marketing, use and enjoyment of the Property; (ii) the right to cut trees, bushes or shrubbery, make any gradings of the soil, and take any similar action reasonably necessary to provide economical and safe utility and drainage installation or to maintain reasonable standards of health, convenience, safety and appearance; (iii) the right to locate thereon wells, pumping stations, lift stations and irrigation systems and lines; (iv) easements of ingress, egress and access for purposes of development, construction and marketing of the Property; and (v) such other rights as may be reasonably necessary, convenient or desirable to complete in an orderly and economic manner the development and sale of the Property including, without limitation, the maintenance of temporary signage and trailers used in such development and sales efforts; provided, however, that said reservation and right shall not be considered an obligation of Declarant to provide or maintain any such easements, utilities, equipment, improvements or services. Declarant also reserves the right to connect with and make

use of the utility lines and drainage improvements which may from time to time be in or along the Streets or within the Common Area or any easements as shown on any Recorded Plats or as otherwise properly established. The easements and rights-of-way herein reserved: (y) shall continue in existence in favor of Declarant after conveyance of the Common Area to the Association or dedication to the Local Government or appropriate Governmental Authority until such time as Declarant has sold all Lots in the Property; and (z) shall continue in favor of Declarant until such time as any lands separately developed by Declarant and located adjacent to the Property have been conveyed to unrelated third-parties; provided, however, that such unrelated third-party is not a Builder, contractor or other party who purchases or hold the title to property for the purpose of constructing a Dwelling thereon for resale.

(b) Declarant also reserves a perpetual right and easement, at its sole election and from time to time, to irrigate the Common Area with treated effluent from a wastewater treatment facility, if any. The benefit of this reservation shall inure to Declarant and its specifically designated successors and/or assigns, but not in favor of any other Owner, and shall remain in effect whether or not Declarant owns any Lots in or lands adjacent to the Property.

Section 4.06. Delegation. Any Owner (including Declarant) may grant the benefit of any easement, right or privilege to tenants and guests for the duration of their tenancies or visits, but the same shall not be construed to create any rights in the general public or any other party.

Section 4.07. Reservation for Corrections. The conveyance of the Common Area to the Association or other entity(ies) shall be subject to the right of Declarant from time to time to correct errors in the legal description or other errors contained in the instrument of conveyance to any Owner, which right is reserved to Declarant. In the event that any such error is discovered after the conveyance of the subject Common Area, then the Association shall upon request of Declarant or any Owner so affected execute a quitclaim deed to the Lot held by said Owner, which quitclaim deed shall contain a correct legal description. If required to vest marketable title (without regard to the fact that the Common Area is held by a homeowners association) in the Association, said Owner will execute a quitclaim deed to any portion of the Common Area which may have been erroneously included within the legal description in the instrument of conveyance of such Owner's Lot. In addition to any other remedy available to the parties or any Owner, the provisions of this Section 4.07 shall be enforceable by specific performance or other equitable remedy.

Section 4.08. MSTU/MSBU. Declarant or the Local Government may establish a municipal service taxing unit, municipal service benefit unit, or similar mechanism (referred to in this Declaration as "MSTU/MSBU"), which MSTUs/MSBUs will have responsibilities established in their enabling resolutions. By way of example, and not limitation, an MSTU/MSBU may established to provide for any one or more of the following: (a) operation, management, administration, maintenance, repair, and replacement by the Local Government of any of the Common Area, and any recreational, drainage or other improvements whatsoever at any time located thereon, for the uses and purposes set forth in this Declaration or in any applicable Recorded Plat, which may or may not include a requirement that ownership of the affected lands and improvements be transferred to the Local Government; (b) construction, maintenance, repair, replacement, or improvement of recreation, drainage, sidewalk, wall, landscaping, open space, conservation, or other areas, improvements or facilities, in, on, under or within the Common Area or any easement areas for the use and benefit of the Property and the occupants thereof; and (c) construction, operation, maintenance, repair and replacement of Street lighting or any other service or benefit to or for the Property authorized under the terms of this Declaration, the MSTU/MSBU, or by the applicable Governmental Authority. Notwithstanding the foregoing, the Association may elect, from time to time, to aesthetically maintain any property otherwise maintained or to be maintained by the MSTU/MSBU and if Association does so, no Owner or Member, as a result thereof, shall thereby receive or be entitled to a discount for any ad valorem taxes or Assessments

assessed by or in connection with the MSTU/MSBU. If established, each Owner and Member acknowledges and agrees that the costs incurred by the MSTU/MSBU may be billed directly to the Owners or to the Association for subsequent Assessment to the Owners and Lots.

Section 4.09. Conservation Easement Area(s). Pursuant to and as and to the extent required by the Permit, the District, or any Governmental Authority, from time to time, Declarant will record in the Public Records, one or more conservation easements (collectively, "Conservation Easement"), in favor of the District or any applicable Governmental Authority over, across, and upon certain portions of the Property. The precise metes and bounds legal description of the portions of the Property encumbered by a Conservation Easement shall be as specifically set forth in the subject Conservation Easement (all such portions of the Property that are or become encumbered by a Conservation Easement shall hereinafter be referred to as "Conservation Areas"). Upon establishment of any Conservation Easement, the Conservation Areas shall be subjected to the restrictions set forth in the subject Conservation Easement. The Conservation Areas, or the Association's interest therein, shall be Common Area and the Conservation Areas shall be the perpetual responsibility of the Association, and may in no way be altered from their natural state, except as specifically provided in the subject Conservation Easement. Furthermore, the use and development of the Conservation Areas shall be restricted as set forth in the subject Conservation Easement.

ARTICLE V

INSURANCE

Section 5.01. Basic Insurance. The Board may obtain fidelity bond coverage insuring the Association in its discretion. In addition, the Board may obtain insurance for insurable improvements on (a) the Common Area, or on (b) any Area of Common Responsibility, or on (c) any easement area benefiting the Owners or the Association; public liability policies covering the Common Area, the Association, and Members for damage or injury caused by the negligence of the Association or any of its Members, guests or agents, which public liability shall have at least One Million Dollar (\$1,000,000.00) combined single limits for bodily injury, personal injury, and property damage from a single occurrence, and, if reasonably available, a Five Million Dollar (\$5,000,000.00) umbrella liability policy; directors' and officers' liability insurance; and, any other types of insurance coverage as the Board may deem appropriate, necessary or desirable from time to time, with such insureds, deductibles, provisions, and coverage types and amounts as shall be determined by the Board. Such insurance shall include "special form" casualty insurance for all improvements on the Common Area, if such insurance is reasonably available. If "special form" coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. Said insurance shall be in an amount sufficient to cover one hundred percent (100%) of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

Section 5.02. Additional Insurance. In addition to any other insurance required by Article V, the Board may obtain, as a Common Expense: (A) worker's compensation insurance, if and to the extent required by law; (B) directors' and officers' liability coverage, if reasonably available; (C) flood insurance, if required; and (D) insurance or a fidelity bond for all persons who control or disburse funds of the Association. As used in this paragraph, the term "persons who control or disburse funds of the Association" includes, but is not limited to, persons authorized to sign checks on behalf of the Association, and the President, Secretary, and Treasurer of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time, as determined by the Board's best business judgment, with such amounts, regardless, never being less than three (3) months' Assessments, plus all reserves on hand. If available, any such insurance policy or fidelity bonds shall contain a waiver of all defenses based upon

the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal. If annually approved by a majority of the voting interests present at a properly called meeting of the Association, the Association may waive the requirement of obtaining an insurance policy or fidelity bond for all persons who control or disburse funds of the Association.

Section 5.03. Individual Insurance. By virtue of taking title to a Lot, each Owner (other than Declarant) covenants and agrees with all other Owners, and with the Association, that each Owner shall carry, at a minimum full replacement cost dwelling protection with building structure replacement cost method extended limits. Each Owner further covenants and agrees that in the event of a partial loss or damage resulting in less than total destruction of structures comprising its Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration. Said Owner shall pay any costs of repair or reconstruction which is not covered by insurance proceeds. In the event that the structure is totally destroyed, said Owner may decide not to rebuild or to reconstruct, in which case the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with the terms hereof, any Rules and Regulations, and all applicable Law. Assessments shall still apply to and be levied against any Lot cleared and thereafter maintained pursuant to the provisions of this section. Any such cleared Lot shall still, at all times, continue to be responsible for payment of full Assessments, regardless of the fact that the Lot and Owner may not benefit from maintenance and other services otherwise provided by the Association to occupied or improved Lots.

Section 5.04. Insurance Premiums. Premiums for all insurance obtained by the Association pursuant to this Article V shall be a Common Expense.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 6.01. Lien and Personal Obligation Nonpayment.

(a) Declarant, for each Lot owned by it on the Property, and each Owner other than Declarant, by acceptance of fee-simple title to any Lot, whether or not it shall be so expressed in any deed or other conveyance of title to such Lot, covenants and agrees to pay to the Association the Assessments, which Assessments shall be fixed, established, assessed, and enforced as herein provided and as permitted by the Association Act. Assessments shall be a charge and a continuing lien upon the Lot against which such Assessment is made, and upon any Dwelling located on said Lot, from and after the date on which such Assessment is due. Each Assessment shall also be the personal obligation of each person or entity who was an Owner of the Lot at the time the Assessment fell due. Declarant will never be obligated to pay any Individual Assessment or Start-Up Assessment.

(b) If any Assessment or installment thereon is not paid when due, then such Assessment shall be delinquent and the delinquent Assessment shall be secured by a continuing lien on the Lot as to which the Assessment accrued, and upon any Dwelling located thereon. The Association may Record a lien against any Lot to secure payment of Assessments that remain unpaid for a period of thirty (30) days or longer after becoming due (the "Assessment Lien"). Any Assessment Lien shall be prior to all other liens created except (i) ad valorem real estate taxes and assessments levied by any Governmental Authority, (ii) the lien of any Mortgage (expressly subject to the Mortgagee's compliance with FL. STAT. §720.3085(2)(c), as amended, restated or re-codified from time to time, and said

Mortgagee's payment of all unpaid Assessments resulting from said Mortgagee's compliance with, or failure to comply with, said statute), and (iii) other liens which by Law would be superior. To the fullest extent permitted by Law, any Assessment Lien shall be prior to and superior in dignity to the Owner's homestead status. Any Assessment Lien shall bind the Lot and any Dwelling located thereon in the hands of the then Owner and of each subsequent Owner. The personal obligation of the Owner to pay such delinquent Assessment shall remain that Owner's personal obligation for the statutory limitations period and personal liability shall not pass to successors in title of the Lot unless expressly assumed by them.

(c) If the delinquent Assessment or installment thereon is not paid within thirty (30) days after the due date, the same shall bear interest from the date due at the highest lawful rate in Florida, or at such lesser rate as may be determined by the Board and uniformly applied, and the Association may bring an action for collection against the Owner personally obligated to pay the same and to foreclose the lien against the Lot and any Dwelling located thereon by judicial foreclosure in the same manner as foreclosure of a mortgage, and there shall be added to the amount of such delinquent Assessment the aforesaid interest, late charges, collection costs, expenses and attorneys' and paralegals' fees, and all of the foregoing shall be recoverable whether or not suit be brought. The Owner shall also be required to pay to the Association any Assessments against the Lot which become due during any period of foreclosure by the Association. The Association, acting on behalf of the Owners, shall have the right and power to bid for any Lot at any foreclosure sale and to acquire the same via foreclosure or a deed in lieu thereof and thereafter hold, lease, mortgage, and convey the same. During the period in which a Lot is owned by the Association following foreclosure or a deed in lieu thereof: (x) no right to vote shall be exercised on said Lot; (y) no Assessment shall be assessed or levied on said Lot; and (z) each other Lot shall be charged, in addition to its Assessments, its pro rata share of the Assessment that would have been charged the subject Lot had it not been acquired by the Association as a result of foreclosure or a deed in lieu thereof. Suit to recover a money judgment against an Owner or Lot for unpaid Common Expenses, Assessments, and all costs, expenses, and fees incurred by the Association in connection with such action, including, but not limited to, interest as provided herein, along with reasonable attorneys' and other legal fees to be fixed by the court, together with all other costs, expenses, and fees of the action, shall be maintainable by the Association without foreclosing or waiving the lien securing the same.

(d) In addition to any other rights and remedies of the Association hereunder or under Florida law in connection with an Owner's or Member's failure to timely pay Assessments or any installments thereof, the Association may also charge an administrative late fee ("Late Fee") not to exceed the greater of Twenty-Five and 00/100 Dollars (\$25.00) or five percent (5%) percent of the amount of each installment that is paid past the due date. If in the future, Section 720.3085(3)(a) is amended to permit the Association to charge a higher Late Fee, then the immediately preceding sentence shall be deemed automatically amended to permit the Association to charge such higher Late Fee.

(e) The following property shall be exempt from the Assessments, charges and liens created herein: (1) Common Area; (2) lands owned by Declarant which have not been annexed to the Property by this Declaration or any Supplemental Declaration; (3) lands conveyed or dedicated to the Local Government or other Governmental Authority, any public or quasi-public utility company, or the public; and (4) to the fullest extent permitted by the Association Act, Lots owned by Declarant during the period of time that Declarant subsidizes the Common Expenses of the Association pursuant to Section 6.08 hereof. No other land or improvements in the Property shall be exempt from the Assessments, charges or liens stated above. No Owner may avoid Assessment obligations by virtue of non-use or abandonment of the Common Area or any Area of Common Responsibility, as applicable.

(f) If any Lot is occupied by a Tenant and the Owner of the Lot is delinquent in paying any Monetary Obligations, the Association may demand in writing that the Tenant pay to the Association the subsequent rental payments related to the Lot ("Tenant Demand"). Any Tenant

Demand is continuing in nature, and upon such Tenant Demand, the Tenant of the subject Lot (the "Notified Tenant") must continue to pay the subsequent rental payments until all the Monetary Obligations of the Lot Owner related to the Lot have been paid in full to the Association and the Association releases the Tenant or until the Tenant discontinues tenancy in the Lot. A Notified Tenant is immune from any claim by the Lot Owner related to the rent timely paid to the Association after the Association has made a Tenant Demand.

If the Notified Tenant paid rent to the Owner of the Lot for a given rental period before receiving the Tenant Demand and provides written evidence to the Association of having paid the rent within fourteen (14) days after receiving the Tenant Demand, such Notified Tenant shall begin making rental payments to the Association for the following rental period and shall continue making rental payments to the Association to be credited against the Monetary Obligations of the Lot Owner until the Association releases the Tenant or the Tenant discontinues tenancy in the Lot. The Association shall, upon request, provide the Tenant with written receipts for payments made. The Association shall mail written notice to the Lot Owner of the Association's demand that the Tenant pay Monetary Obligations to the Association.

The liability of the Notified Tenant may not exceed the amount due from the Notified Tenant to the Lot Owner. The Notified Tenant shall be given a credit against rents due to the Lot Owner in the amount of Assessments paid to the Association.

After serving a Tenant Demand, if the Notified Tenant fails to pay any Monetary Obligation, the Association may issue notices under Section 83.56 of the Florida Statutes, as amended, restated or re-codified from time to time, and may sue for eviction under Sections 83.59-83.625 of the Florida Statutes, as amended, restated or re-codified from time to time, as if the Association were a landlord under Part II of Chapter 83 of the Florida Statutes. However, the Association is not otherwise considered a landlord under Chapter 83 of the Florida Statutes and specifically has no duties under Section 83.51 of the Florida Statutes, as amended, restated or re-codified from time to time.

A Tenant does not, by virtue of payment of Monetary Obligations, have any of the rights of the Owner of the Lot to vote in any election or to examine the books and records of the Association.

Section 6.02. Purpose; Powers. The Assessments levied by the Association shall be used to promote the recreation, health, safety and welfare of the Owners, to perform the Association's duties and obligations hereunder and under the Association Act, to exercise the powers conferred on the Association hereunder and under the Association Act, to manage, improve, operate, administrate, insure, maintain, repair and replace the Common Area and the Areas of Common Responsibility (as may be determined by the Board), and to pursue any other purpose deemed desirable, necessary, convenient or appropriate by the Board, including, without limitation, any one or more of the following, or as otherwise stated herein or as permitted by the Association Act: (a) payment of Common Expenses; (b) lighting, irrigation, maintenance, improvement and beautification of the Streets and all easement areas benefiting the Association or the Property as shown on any Recorded Plat, or otherwise properly established; (c) acquisition, maintenance, repair and replacement of community identification signs and traffic control devices, and control and regulation of traffic in the Property; (d) payment, contest or compromise of real and personal property taxes and assessments separately levied upon or assessed against the Association or the Common Area; (e) operation, management, insurance, replacement, maintenance, repair, beautification and improvement of the Common Area, Areas of Common Responsibility (as may be determined by the Board), and all easement areas benefiting the Association or the Property as shown on any Recorded Plat, or otherwise properly established; (f) repayment of any deficits previously incurred by the Association; (g) funding of reserves for future Common Expenses; (h) procurement and maintenance

of all insurance; (i) employment of accountants, attorneys and other professionals, administration, and experts to represent or advise the Association; (j) operation, maintenance and replacement of the Stormwater Management System for the Property in accordance with the terms of this Declaration and the requirements of the District including, but not limited to, work within retention areas, drainage structures and drainage easements; (k) monitoring and maintenance of protected wetlands and associated reporting as may be required by the District; and (l) doing anything necessary, desirable, or convenient in the judgment of the Board to keep the Property neat and attractive, to preserve or enhance the value thereof, to eliminate fire, health or safety hazards, or otherwise to benefit the Owners. At all times, the Association, acting by and through the Board, shall, in addition to those general and specific powers elsewhere referenced in the Governing Documents or imposed upon it by law, have the following specific powers:

(a) Except as may be limited by the terms of the Governing Documents, to acquire, own, hold, control, administer, manage, operate, regulate, care for, maintain, repair, replace, restore, preserve, protect, insure, buy, sell, lease, transfer, convey, encumber or otherwise deal in or with real or personal property (or any interest therein, including easements) (i) which is, or upon its acquisition by the Association shall thereupon become, Common Area as defined in this Declaration, including the power to enter into any leases or other arrangements with appropriate governmental agencies necessary for the use of sovereignty lands associated with any of the Common Area, or (ii) the responsibility for which is delegated to the Association pursuant to the terms and provisions of this Declaration, and further including the power to direct, conduct, maintain or support activities within or upon the Property in order to limit or control access to said Common Area.

(b) To establish, make, levy, impose, enforce and collect all Assessments and impose, foreclose and otherwise enforce all liens for Assessments for which provision is made in this Declaration in accordance with the terms and provisions of the Governing Documents.

(c) To establish, make, levy, impose, enforce and collect fines and temporarily suspend rights of use of Common Area against any Owner and Lot for any violation of the covenants, conditions and restrictions set forth in the Governing Documents or in the Rules and Regulations, all in accordance with the terms hereof and of the Association Act.

(d) To create, establish, maintain, and administer such capital expenditure reserves and other reserve funds or accounts as shall, in the discretion of the Board, be reasonably necessary to provide and assure the availability of funds necessary for the care, maintenance, repair, replacement, restoration, preservation, and protection of all Common Area, including all easements and facilities, and for such other purposes as the Board, in its reasonable discretion, shall deem necessary or appropriate.

(e) To sue and be sued and to defend any suits brought against it.

(f) Subject to any limitations set forth in the Governing Documents or imposed by the Association Act, to borrow such money as may reasonably be required to discharge and perform the duties, responsibilities and obligations imposed upon the Association pursuant to the Governing Documents or the Association Act.

(g) To employ such persons or to contract with such independent contractors or managing agents as shall be reasonably required in order for the Association to carry out, perform and discharge all or any part of its duties, obligations and responsibilities pursuant to the Governing Documents and the Association Act; provided, however, that any such employment contract or contract with any independent contractor or managing agent for a term of more than one (1) year shall, by its

express terms, be terminable: (i) for cause at any time upon not more than thirty (30) days written notice by the Association; and (ii) without cause at any time after one (1) year upon not more than sixty (60) days written notice by either party; and, provided further, that any such contract shall otherwise be subject to the provisions of this Section 6.02.

(h) To provide equipment, facilities and personnel or to contract with an independent contractor or independent contractors, for such public or quasi-public services as may be deemed by the Association to be reasonably necessary or desirable for the common health, safety and general welfare of the residents, including, without limitation, internal security and protection services, garbage and trash pickup and disposal services, cable television/Internet services and street lighting services.

(i) To take such steps as may be necessary to enforce the provisions of the Governing Documents and the Rules and Regulations, including, without limitation, the employment of counsel and the institution and prosecution of litigation to enforce said provisions including, without limitation, such litigation as may be necessary to collect Assessments and foreclose liens for which provisions are made in the Governing Documents.

(j) To encourage, cause, facilitate, assist and cooperate in the formation, establishment and operation of a Community Development District and/or MSBUs/MSTUs.

(k) To establish, undertake, and promote, from time to time, social activities or programs; educational programs; cultural, artistic and environmental programs; charter clubs and other similar services, activities or programs designed, intended, or implemented to further a sense of community among Owners and residents thereof. Nothing in this subsection shall ever be construed as a representation or promise by Declarant or the Association as to which, if any, of the foregoing may be established, undertaken, promoted, or (as applicable) continued by the Association from time to time.

Section 6.03. Determination of Annual Assessments

(a) Budgets and Reserve Fund Contribution. The Board shall annually prepare a budget that sets out the Association's annual operating expenses ("Budget"), which Budget must: (i) reflect the estimated revenues and expenses for that year and the estimated surplus or deficit as of the end of the current year; (ii) set out separately all fees or charges paid for by the Association for recreational amenities, whether owned by the Association, the Declarant, or another person or entity; (iii) if adopted by the Board, include reserve accounts for capital expenditures and deferred maintenance for which the Association is responsible, including, but not limited to, the Common Area; and (iv) comply with FL. STAT. §720.303(6)(a) and (b), taking into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost to be incurred by the Association, and, if adopted by the Board, shall establish a reserve fund for such anticipated expenditures. In the event the Board establishes a reserve fund, the Board shall set the required reserve fund, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the Budget, with respect both to amount and timing of Annual Assessments over the period of the Budget. The reserve funds required, if any, shall be fixed by the Board and included within and distributed with the Budget and any applicable notice of Annual Assessment. Any reserve funds established by the Board shall be held in an interest-bearing account or investments. The first Budget promulgated or adopted by the Declarant on behalf of the Association must designate therein the components for which reserve accounts and funds may be used.

(b) Adoption of Operating Budget. The Association shall mail to each Member a copy of the Budget and projected Annual Assessments approved by the Board to be levied for

the next Fiscal Year at least thirty (30) days prior to the end of the Association's current Fiscal Year. The Budget and Annual Assessments set forth therein shall become effective unless disapproved at a special meeting of the Members held not later than sixty (60) days after the proposed Budget and Annual Assessments are mailed to the Members. To be effective, the disapproval of the proposed Budget and Annual Assessments must be by a vote of two-thirds (2/3) of the membership of the Association, without regard to membership class. If the membership so disapproves the Budget for the succeeding year, or if the Board fails to propose a Budget or the Annual Assessments, then the Budget and Annual Assessments for the preceding year shall continue in effect until a new Budget with Annual Assessments is determined or adopted.

(c) Allocation of Annual Assessments Among Lots. The Budget and Annual Assessments of the Association shall be assessed against all Owners and Lots within the Property in an equal amount per Lot. At the discretion of the Board, the Annual Assessments for any year may be paid by Owners in monthly installments, due and payable on the first (1st) day of each month; in bi-annual installments, due and payable by the first (1st) day of January and July of each year; or in quarterly installments, due and payable by the first (1st) day of January, the first (1st) day of April, the first (1st) day of July, and the first (1st) day of October of each year. In the event of such deferred payments, the Board may, but shall not be required to, charge a uniform, lawful rate of interest on the unpaid balance. The Board may accelerate the balance of any Annual Assessment upon default in the payment of any installment thereon or any other Assessment due hereunder. Absent any such determination by the Board permitting payment in monthly, bi-annual, or quarterly installments, the Annual Assessment for any year shall be due and payable by January 1 of such year. Any Annual Assessment not paid by January 15, if payable in one lump sum, not paid by the fifteenth (15th) day of January and July, if allowed to be paid bi-annually, or paid by the fifteenth (15th) day of January, April, July, and October, if allowed to be paid quarterly, or on the fifth (5th) day of any month, if allowed to be paid monthly, shall be considered delinquent.

Section 6.04. Special Assessments.

(a) Special Assessments. In addition to Annual Assessments, and as may be consistent with Fl. Stat. §720.315, the Board may levy at any time a special assessment for the purpose of defraying the cost of any construction, maintenance, repair, replacement or insurance of any improvement on the Common Area, any Areas of Common Responsibility, or on any easement benefiting the Association or the Property as shown on any Recorded Plat, or otherwise properly established, for the purpose of covering any budget deficits of the Association, or for any other purpose deemed necessary, desirable or appropriate by the Board (collectively, "Special Assessment(s)").

(b) Individual Assessment. The Board may levy an individual assessment against any Owner and that Owner's Lot and, if applicable, any Dwelling located thereon in order to cover any costs, expenses and fees whatsoever incurred by the Association due to (i) that Owner's failure to maintain its Lot or Dwelling pursuant to the standards set forth in this Declaration or as otherwise established by the Board or the ARC, or (ii) to reimburse the Association for loss or damage to the Association or to any Common Area, Area of Common Responsibility or easement area benefiting the Association or the Property caused by that Owner or that Owner's lessee, sublessee, licensee, agent, contractor, subcontractor, invitee, domestic help or guest, and not covered by insurance maintained by the Association, or (iii) for any other purpose expressly permitted by this Declaration or permitted under applicable Law, including any additional expenses attributable to the Association's maintenance of the landscaping or any associated pest control on that Lot, if applicable, (each assessment levied pursuant to (i), (ii), or (iii), above, an "Individual Assessment").

Section 6.05. Start-Up Assessment; Initial Annual Assessment; Capital or Resale Assessment; Due Dates.

(a) Annual Assessments on each Lot in the Initial Property shall commence upon the closing of each Lot in the Property to a bona fide third party purchaser (a "Third Party Purchaser") or upon the occupancy of each Lot by a Third Party Purchaser, whichever is earlier. The Annual Assessment for the Initial Property for the calendar year 2020 shall be One Thousand and 00/100 Dollars (\$1,000.00) per Lot. Prior to Turnover, the Board shall not, without approval of the voting interests of the Class "A" Members, increase the Annual Assessments in any Fiscal Year by more than fifteen percent (15%) above what the Annual Assessments were in the prior Fiscal Year; provided, however, that any increase in the Annual Assessments in any Fiscal Year pursuant to the terms hereof must be accompanied by an equal percentage increase in the Deficit Funding obligations

(b) At the closing of the sale of each Lot in the Property to a Third Party Purchaser, said purchaser shall pay to the Association: (i) a one-time Start-Up Assessment in the amount of One Thousand and 00/100 Dollars (\$1,000.00); and (ii) the entire Annual Assessment for the calendar year of closing, prorated on a per diem basis from the date of closing on the sale of, or the date of occupancy of the Lot, whichever is earlier, through the end of that calendar year. Thereafter, Annual Assessments shall be due, in advance, on or before the commencement of the Association Fiscal Year for which they are imposed; but the Board, as provided above, may elect to collect Annual Assessments in monthly, quarterly or semi-annual installments. Annual Assessments which commence to accrue as to any Lot other than on the first day of the year shall be prorated for the balance of that year. Notwithstanding the foregoing, the Start-Up Assessment shall be due from the first Third Party Purchaser that is not a Builder. After the one time Start-Up Assessment has been paid as to a Lot in the Property, subsequent purchasers of the same Lot shall not be required to pay said Start-Up Assessment. The funds derived from the Start-Up Assessments are income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, the reduction of the Declarant's Deficit Funding, future and existing capital improvements, operating expenses, Common Expenses, support costs and start-up costs.

(c) The Annual Assessment for each Lot on any Additional Property shall commence upon the closing of the first sale by Declarant of any Lot in the Additional Property to a Third Party Purchaser, or upon the occupancy of the first Lot in the Additional Property by a Third Party Purchaser, whichever is earlier. The initial Annual Assessment for the Lots on any Additional Property shall be the same as the then current Annual Assessment for the remainder of the Property, or as otherwise set forth in the relevant Supplemental Declaration.

(d) On each subsequent conveyance of a Dwelling following the initial sale of such Dwelling to the first Third Party Purchaser thereof or to any party other than Declarant, the Association shall levy and impose on such Dwelling a capital assessment of One Thousand and 00/100 Dollars (\$1,000.00) (the "Re-Sale Assessment"), which Re-Sale Assessment shall be shown on any estoppel certificate issued by or on behalf of the Association in connection with the conveyance of the Lot to said purchaser or grantee; shall be nonrefundable; shall be in addition to, and not in lieu of, the Assessments levied on the Lot; shall not be considered an advance payment of any portion of Assessments; and shall be used by the Association exclusively for purposes which provide a direct benefit (as defined in 77 Fed. Reg. 15574 (Mar. 16, 2012)) to the Property. The Association may use the Re-Sale Assessment for any of the purposes and services set forth in this Declaration, including the reduction of the Declarant's Deficit Funding. The Re-Sale Assessment shall not apply in instances of transfer of title of a Dwelling to (a) a co-Owner of the Dwelling; (b) the Owner's estate, surviving spouse or child upon the death of the Owner; (c) an entity owned by the grantor of title and/or the grantor's spouse; (d) to a Mortgagee or Association pursuant to a Final Judgment of Foreclosure or deed in lieu of foreclosure. Prior to Turnover, Declarant may increase the Re-Sale Assessment in subsequent Fiscal Years, provided

that such increase shall not be greater than ten percent (10%) over the prior Fiscal Year. Neither Declarant nor Association makes any representation or warranty that, at Turnover, any portion of these Re-Sale Assessment shall be in the accounts of the Association, as these monies may be used to offset Declarant's Deficit Funding.

Section 6.06. Certificate. Upon request, the Association, pursuant to FL. STAT. §720.30851, shall furnish to any Owner a certificate setting forth whether all required Assessments have been paid. Such certificate, subject to the limitations and terms of FL. STAT. §720.30851, shall be conclusive evidence in favor of bona-fide third parties relying thereon of the payment of any Assessment therein stated to have been paid. The Association may charge a fee for the preparation of such certificate, and the amount of such fee must be stated on the certificate. Unless sold or conveyed by or to Declarant, no Lot or parcel may be sold or conveyed unless an estoppel certificate pursuant to FL. STAT. §720.30851 is obtained and all amounts set forth therein are paid prior to the sale or conveyance.

Section 6.07. Subordination. Expressly subject to the Mortgagee's compliance with FL. STAT. §720.3085(2)(c) and said Mortgagee's payment of all unpaid Assessments resulting from said Mortgagee's compliance with, or failure to comply with, said statute, all Assessment Liens shall be subordinate to the lien of any Mortgage. Any Mortgagee which obtains title to a Lot by lawful foreclosure of a Mortgage or by lawful and proper voluntary conveyance by deed in lieu of such foreclosure, shall not be liable for the uncollected Assessments or interest, late charges or collection costs pertaining to such Lot or chargeable to the former Owner thereof which became due prior to the acquisition of title of the Lot by said Mortgagee. Such unpaid Assessment amounts shall be deemed a Common Expense collectible from all Owners, including the acquiring Mortgagee, on a pro-rata basis. Any such transfer to a Mortgagee under this Section 6.07 or otherwise shall not relieve the transferor of personal responsibility for any prior Assessments nor the Lot from the lien for Assessments thereafter falling due.

Section 6.08. Funding by Declarant. NOTWITHSTANDING ANYTHING TO THE CONTRARY SET FORTH IN THE GOVERNING DOCUMENTS OR OTHERWISE: (A) DECLARANT DOES NOT AND IS NOT PROVIDING THE OWNERS OR MEMBERS A GUARANTEE OF THE LEVEL OF ASSESSMENTS AS CONTEMPLATED BY SECTION 720.308 OF ASSOCIATION ACT; (B) THERE IS NO MAXIMUM GUARANTEED LEVEL OF ASSESSMENTS DUE FROM OWNERS OR MEMBERS AS CONTEMPLATED BY SECTION 720.308 OF ASSOCIATION ACT; AND (C) DECLARANT'S ELECTION FROM TIME TO TIME TO DEFICIT FUND IS NOT A GUARANTEE OF THE ASSESSMENTS AS CONTEMPLATED BY SECTION 720.308 OF ASSOCIATION ACT. IN THE EVENT DECLARANT ELECTS FROM TIME TO TIME, IN ITS SOLE DISCRETION, TO DEFICIT FUND IN LIEU OF PAYING ASSESSMENTS ON THE SAME BASIS AS OTHER OWNERS ("DEFICIT FUND"), DECLARANT SHALL SPECIFICALLY ELECT TO DEFICIT FUND AS PROVIDED IN SECTION 720.308(1)(B), FLORIDA STATUTES (2018). AS SUCH, THE PROVISIONS OF SECTIONS 720.308(2) THROUGH 720.308(6), FLORIDA STATUTES (2018), ARE NOT APPLICABLE TO DECLARANT OR THE CALCULATION OF THE DEFICIT FUNDING OBLIGATION OR OTHER AMOUNTS DUE FROM DECLARANT. AS OF THE EFFECTIVE DATE, UNTIL TURNOVER OCCURS OR DECLARANT NOTIFIES THE ASSOCIATION OTHERWISE, DECLARANT ELECTS TO DEFICIT FUND, THEREBY OBLIGATING ITSELF, PURSUANT TO SECTION 720.308(B) OF ASSOCIATION ACT, TO PAY ANY OPERATING EXPENSES INCURRED THAT EXCEED THE ASSESSMENTS RECEIVABLE FROM OTHER MEMBERS AND OTHER INCOME OF THE ASSOCIATION.

ARTICLE VII

ARCHITECTURAL CONTROL

Section 7.01. Architectural Control; ARC.

(a) All Lots and Dwellings in the Property are subject to architectural review in accordance with this Article VII and any planning, construction, development, or other architectural criteria, guidelines, procedures, rules or regulations (collectively, "Architectural Guidelines") as may be adopted and revised from time to time by the Architectural Review Committee (the "ARC"), which may also be referred to at times as the Architectural Review Board (the "ARB"). The Architectural Guidelines shall be written and made available to all Builders and to all Owners or prospective Owners. The Architectural Guidelines may include any matters considered appropriate by the ARC not inconsistent with this Declaration, the other Governing Documents or the Association Act. The Architectural Guidelines shall be, at the discretion of the Board, subject to the prior approval of the Board.

(b) No site work/development, landscaping, utility extension, drainage improvement, paving, driveway, swimming pool, pool enclosure, building, fence, wall, sidewalk, or any other physical or structural improvement, or change or alteration to the exterior of any existing structure or improvement, or to any existing landscaping (collectively, "Improvement(s)"), shall be commenced, constructed, erected, modified, changed, altered or maintained until the plans showing such details as the size, design, shape, finished grade elevation, height, materials and color of the same, together with a landscape plan and a plot plan showing the location relative to boundaries and adjacent improvements of such proposed improvements or changes (collectively, the "Plans"), have been approved in writing by the ARC. The Plans shall certify that same are in compliance with any applicable regulations and ordinances of the Local Government. All such improvements must further conform to the Architectural Guidelines and no Plans shall be approved by the ARC if they are not in conformity with same. All improvements, construction, changes, modifications and alterations shall also comply with all Laws. Until such time as any improvements, construction, changes, modifications and/or alterations have been submitted to and approved by the ARC, no Owner (and/or designee thereof) shall make application for a building permit

from the applicable Governmental Authority. Nothing herein shall limit the right of an Owner to finish or alter the interior of that Owner's Dwelling as that Owner desires.

Section 7.02. Membership of ARC. Prior to Turnover, Declarant shall be entitled to appoint all members of the ARC. Thereafter, the membership of the ARC shall be determined by the Board. The ARC shall consist of no less than three (3) members, none of whom shall be required, prior to Turnover, to be Owners or occupants of the Property. The ARC shall always consist of an odd number of members. No member of the ARC shall be entitled to compensation for services performed, but the ARC may employ professional advisors and pay reasonable compensation to such advisors at Common Expense. Members of the ARC (other than those appointed or designated by Declarant) may be removed by the Board of Directors at any time without cause. Members of the ARC appointed or designated by Declarant may only be removed by Declarant, which removal may be at any time without cause.

Section 7.03. Approvals. Decisions of the ARC shall be by majority action. Unless waived by the ARC, all Plans shall be prepared by an architect or engineer, said person to be employed by and at the expense of the Owner. If for any reason, including purely aesthetic reasons, the ARC should determine that a proposed improvement, construction, modification or alteration is not consistent with the Architectural Guidelines or Declarant's development plan, or in the best interest of the Association and its Members, such improvement, construction, modification or alteration shall not be approved or made. Approval of Plans may be withheld not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by virtue of the dissatisfaction of the ARC with the location of the structure on the Lot, the elevation, color scheme, finish, design, proportions, architecture, drainage plan, shape, height, style and appropriateness of the proposed structures or altered structures, the materials used therein, the planting, landscaping, size, height or location of vegetation on the Lot, or because of its reasonable dissatisfaction with any other matter or thing which, in the judgment of the ARC, will render the proposed improvement or alteration inharmonious with Declarant's general development plan or the Architectural Guidelines. Two (2) sets of Plans and specifications shall be submitted to the ARC by the Owner prior to applying for a building permit from the applicable Governmental Authority. Submittals and re-submittals of Plans shall be approved or disapproved within thirty (30) days after receipt by the ARC. The ARC approval or disapproval shall be written and shall be accompanied by one (1) copy of the Plans to be returned to the Owner. Whenever the ARC disapproves Plans, the ARC shall specify the reason or reasons for such disapproval. The Architectural Guidelines are not the exclusive basis for decisions of the ARC and compliance with the Architectural Guidelines does not guarantee approval of any application.

Section 7.04. Violations. The work approved by the ARC must be performed strictly in accordance with the Plans as approved by the ARC. If after Plans have been approved, the improvements are altered, constructed, modified, erected, or maintained upon the Lot other than as approved, the same shall be deemed to have been undertaken without ARC approval. After one (1) year from completion of any improvement, addition, modification or alteration, said improvement shall, in favor of purchasers in good faith and for value and Mortgagees, be deemed to comply with the provisions hereof unless a notice of such noncompliance executed by any member of the ARC shall appear in the Public Records or legal proceedings shall have been instituted to enjoin the noncompliance or to enforce compliance with this Article VII.

Section 7.05. Variances. The ARC may grant variances from compliance with the architectural provisions of this Declaration or the Architectural Guidelines, including, without limitation, restrictions upon height, size or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may reasonably require. The granting of any variance shall not operate to waive any of the terms and provisions of this Declaration or the Architectural Guidelines for any purpose except as to the particular Lot and the

particular provision covered by the variance, nor shall it affect the Owner's obligation to comply with all applicable Laws. Such variances may only be granted when unique circumstances dictate and no variance shall (i) be effective unless in writing, (ii) be contrary to the restrictions set forth in this Declaration, or (iii) estop the ARC from denying a variance in other similar or dissimilar circumstances.

Section 7.06. Waiver of Liability. None of Declarant, the ARC, the Directors or the Association, or any agent, employee or officer thereof, shall be liable to anyone submitting Plans for approval or to any Owner, occupant, tenant, subtenant, invitee, licensee or guest of the Property by reason of or in connection with approval or disapproval of any Plans, or for any defect in any Plans submitted, reviewed, revised or approved in accordance with the requirements of the ARC, or for any structural or other defect in any work done according to or contrary to such Plans. Approval of Plans, or any other approvals, variances or consents by the ARC, are given solely to protect the aesthetics of the Property in the judgment of the ARC and shall not be deemed a warranty, representation or covenant that any action taken in reliance thereon complies with all applicable Laws, nor shall ARC approval be deemed approval of any Plan or design from the standpoint of structural safety or conformity with building or other codes. Every person who submits Plans for approval agrees, by submission of such Plans, and every Owner or occupant, tenant and subtenant of any Lot agrees, by acquiring title thereto or an interest therein, that it will not bring any action, proceeding or suit to recover any such damages and shall be deemed to have automatically agreed to hold harmless and indemnify the Board, the ARC, the Declarant and the Association, and all of the foregoing's directors, officers, members, agents and employees from and for any loss, claim, liability, expenses, causes of action or damages connected with the aforesaid aspects of the Plans, improvements or alterations.

Section 7.07. Enforcement. Declarant and the Association shall have standing and authority on behalf of the Association to enforce in courts of competent jurisdiction the Architectural Guidelines and the decisions of the ARC. Should Declarant or the Association be required to enforce the provisions hereof by legal action, the reasonable attorneys' and paralegals' fees and costs and expenses incurred, whether or not judicial proceedings are involved, including the attorneys' and paralegals' fees and costs, and expenses incurred on appeal from judicial proceedings, shall be collectible from the violating Owner. Should any Owner fail to comply with the requirements hereof after thirty (30) days' written notice, Declarant and the Association shall have the right, but not the obligation, to enter upon the Owner's Lot, make such corrections, alterations or modifications as are necessary, or remove anything in violation of the provisions hereof, the Rules and Regulations, or the Architectural Guidelines, and charge the costs and expenses thereof to the Owner as an Individual Assessment. Declarant, the Association the Board and the ARC and all of the foregoing's directors, officers, members, agents and employees, shall not be liable to the Owner or to any occupant or invitee of any Lot for any trespass or damages or injury to property or person for any action taken hereunder unless caused by gross negligence, intentional misconduct or intentional wrongdoing.

Section 7.08. Exemption. Declarant, before and after Turnover, shall be exempt from any Architectural Guidelines and the architectural control provisions of this Article VII. Declarant, before and after Turnover, shall be entitled to construct or install any new improvement, and to alter or change or modify any existing improvement, without submitting Plans to or obtaining the approval of the ARC.

Section 7.09. No Waiver of Future Approvals. The approval of the ARC of any proposals or Plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the ARC, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, Plans, specifications, drawings or matters subsequently or additionally submitted for approval or consent.

ARTICLE VIII

EXTERIOR MAINTENANCE

Section 8.01. Owner's Responsibility.

(a) Each Owner shall keep and maintain that Owner's Lot, Dwelling and all buildings and other improvements and structures and landscaping located on that Owner's Lot in good repair and in a neat, orderly and attractive condition. The minimum (but not exclusive) standard for maintenance of improvements and structures shall be consistency with the approved Plans thereof and with the general appearance of the other Dwellings and improvements in the Property as a whole when initially constructed and improved (taking into account, however, normal weathering and fading of exterior finishes, but not to the point of unsightliness).

(b) The maintenance obligation of each Owner as to Dwelling, building, structure and improvements on the Owner's Lot shall include, without limitation, maintenance of all exterior surfaces and roofs, fascias and soffits, awnings, trellises, decorative facades, screens, windows and doors. Owner's shall have their Dwellings (including the roof) and all external improvements such as driveways, sidewalks, decks, patios, and lanai floors, walls and screen professionally power washed as necessary, but no less than once every three (3) years.

(c) Owners shall clean, repaint or re-stain, as appropriate, the exterior portions of the Dwelling, building, structure and improvements on the Owner's Lot (with the same colors as initially approved or with another color or colors approved by the ARC), including exterior surfaces of garage doors, as often as is necessary to comply with the foregoing standards.

(d) Each Owner shall also keep, maintain and irrigate the trees, shrubbery, grass and other landscape materials located on that Owner's Lot in good repair and in a neat and attractive condition. The minimum (but not exclusive) standard for maintenance of landscaping on the Owner's Lot shall be consistency with the approved Plans thereof and with the general appearance of the other occupied Lots in the Property as a whole when initially landscaped (taking into account, however, the natural and orderly growth and maturation of applicable landscaping, as properly trimmed and maintained).

(e) Landscape maintenance shall include, without limitation, irrigation, fertilization, weeding, mowing, trimming, spraying for insects and disease, and periodic replacement of dead, damaged or diseased plantings.

(f) Each Owner shall grass over, mow and keep free of trash and debris, on a routine basis, the unpaved portion of any platted Street depicted on any Recorded Plat abutting the Owner's Lot.

(g) A Xeriscape or Florida-friendly landscape landscaping plan designed and constructed in accordance with the definition of such terms in Section 737.185 of the Florida Statutes, shall be permitted. Any Xeriscape or Florida-friendly landscape landscaping plan shall be subject to review and approval by the ARC, consistent with the terms of this Declaration and any Rules and Regulations of the ARC, including, but not necessarily limited to, any Rules and Regulations of the ARC governing the implementation of Xeriscape or Florida-friendly landscape landscaping plans within the Property.

(h) If an irrigation system capable of using reclaimed water for irrigation purposes is installed adjacent to or on a Lot, and reclaimed water shall be or become available, then in such events, the Association shall: (i) require the Owner of each such Lot to use the reclaimed water for irrigation purposes; and (ii) if applicable, charge the Owner of each Lot served by the reclaimed water system a fee for the use of such reclaimed water based on either, as determined by the Association, (A) a uniform rate applicable to all Owners evenly, or (B) the volume of reclaimed water used at each Lot.

(i) The Association shall have the right but not the obligation to provide exterior repair and maintenance on any Lot or any Dwelling, building or structure or improvement located thereon in the event of default by any Owner in the duties hereby imposed under this Article VIII. Prior to performing such repair or maintenance, the Board must determine that there is need of repair or maintenance and whether such need detracts from the overall appearance of the Property. Except in emergency situations, prior to commencement of any such repairs or maintenance, the Board must furnish written notice to the Owner to the effect that, unless specified repairs or maintenance are commenced within fifteen (15) days after the mailing of the notice, and thereafter diligently pursued to completion, the Association may procure said repairs or maintenance. Upon the Owner's failure to commence timely and to diligently pursue the requested repairs or maintenance, the Association and its designated agents, employees, contractors and subcontractors shall have the right to enter in or upon the Lot and the exterior of any Dwelling, building or structure or improvement thereon to perform the repairs or maintenance specified in the notice. In this regard, the Association shall have the right to do such things as, but not limited to, paint; power wash; repair, replace and care for pools, pool enclosures, roofs, gutters, down spouts and exterior building surfaces; clean or resurface paved access ways and parking areas; trim and care for trees, shrubs, grass, walks, swales, berms and other landscaping and drainage improvements; and to provide general cleanup, shoreline maintenance, and removal of debris which in the opinion of the Board detracts from the overall beauty and setting of the Property. Declarant, the Board, the Association, and the foregoing's respective directors, officers, members, agents, employees, contractors and subcontractors shall have no liability to the Owner or any occupant, tenant, subtenant or guest or invitee for trespass, or damage, or injury to property or person as the result of actions taken pursuant this paragraph, unless caused by gross negligence, intentional misconduct, or intentional wrongdoing.

Section 8.02. Assessment of Cost. The cost of any work performed by or at the request of the Association pursuant to Section 8.01 hereof shall be assessed as an Individual Assessment against the Owner of the Lot upon which such work is done.

Section 8.03. Access. In order to perform the repairs or maintenance authorized by this Article VIII, the designated agents, employees, contractors and subcontractors of the Association may enter upon any Lot and the exterior of any improvement located thereon during reasonable hours on any day except Sundays and legal holidays, except that in an emergency situation, as determined by the Board, entry may be made at any time and on any day.

Section 8.04. Association's Responsibility. The Association shall maintain and keep in good repair the Common Area, and as the Board deems appropriate, the Areas of Common Responsibility, and the wall, landscaping, lighting, irrigation, signage, drainage and other improvements from time to time located on either of the foregoing.

ARTICLE IX

RESTRICTIVE COVENANTS

Unless otherwise inconsistent with or in direct conflict with the approvals, requirements, or laws of any applicable Governmental Authority, in which case said approvals, requirements, and laws shall

govern and control only to the extent necessary to resolve any such inconsistencies or conflicts, the Property shall at all times and forever be subject to and encumbered by the following covenants and restrictions, which covenants and restrictions shall bind each and every Member, Owner and Lot, and shall bind and run with the land:

Section 9.01. Wells. No individual well water supply system shall be permitted on any Lot without the prior written approval of the ARC.

Section 9.02. Obnoxious or Offensive Activity. No activity or use shall be allowed upon any Lot or the Property which is a source of annoyance, embarrassment, harassment or discomfort to Owners or their tenants, subtenants, guests or invitees, or which interferes with the peaceful possession and proper use and enjoyment of the Property, nor shall any improper, unsightly, offensive or unlawful use be made of any Lot, Dwelling, the Common Area or the Areas of Common Responsibility. The use of any Lot and the Property shall comply with all applicable Laws. Each Lot and the Property shall be used, enjoyed, held and occupied in such manner as not to cause or produce any of the following effects discernible outside any Dwelling: noise or sound that is objectionable because of its volume, duration, beat, frequency or shrillness; smoke; noxious, toxic or corrosive fumes or gases; obnoxious odors; dust, dirt or fly ash; unusual fire or explosive hazards; vibration; or interference with normal television, radio or other telecommunication reception by other Owners.

Section 9.03. Rules and Regulations. Reasonable rules, regulations, policies, procedures and standards may be promulgated by the Board, as to the use and enjoyment of the Property (the "Rules") and such Rules shall be observed by the Owners, Members, tenants, subtenants, licensees, invitees, guests and occupants of all Lots. Such Rules may involve such matters as air conditioning units, signs, mailboxes, temporary structures, noisy mufflers, loud music, loud vehicles or other nuisances; garbage and trash disposal; parking; traffic; state of repair of vehicles; tree removal; animals; game and play structures and devices; swimming pools; television and telecommunications devices and antennae; driveways; walkways; sight distances at intersections; garages; and fences. These matters are set out by way of illustration only and shall not be construed to limit the authority of the Board to promulgate and enforce Rules. Such Rules may augment or clarify the terms of this Declaration or any term, covenant or restriction herein contained.

Section 9.04. Animals. No animals of any kind, character, nature, or description shall be kept, raised, bred, or maintained on or upon any Lot; provided, however, that household, domesticated "Pets" (as that term is defined below), as allowed by the Local Government, may be kept on each Lot so long as they are not kept, raised, bred, or maintained thereon for any business or commercial purposes whatsoever. As used herein, the term "Pet(s)" shall mean and refer to birds, fish, dogs, cats, reptiles, insects, and all other non-human, non-plant living organisms, that: (i) have not been prohibited by the Board from time to time; and (ii) that are generally and commonly recognized as household and domestic pets in the County, and shall expressly exclude livestock of domesticated or undomesticated animals, fowl, and poultry, e.g., horses, cows, pigs, donkeys, squirrels, etc. Exotic animals such as, but in no way limited to, snakes and big cats (e.g., tigers, cougars, etc.) are not considered Pets and are expressly prohibited, as are breeds of any kind of Pet deemed aggressive from time to time by the Board. "**Dangerous dogs**", as that term is Chapter 767 of the Florida Statutes, or as determined from time to time by the Local Government, are prohibited on the Property. Only a reasonable number of Pets, as determined in the Board's discretion, may be kept on a Lot at any one time. Pets shall be sheltered inside buildings/improvements. No separate or exterior building/improvement for Pets shall be permitted on the Property. All Pets must be kept in a fully fenced area or leashed when outside of an building/improvement and shall not be permitted to run loose. Invisible dog fences or barriers, if allowed at all within the Community, must first be approved by the ARC. No Pet shall be permitted to remain on the Property if it or they disturb the tranquility of the Property, the Community, the Association, or the other Owners or

residents (e.g., excessive dog barking), if it or they are unlawful, dangerous, annoying, or a nuisance to or destructive of wildlife, or if it or they are expressly excluded from the Property by the Board after notice and hearing. All owners of Pets are responsible for timely cleanup of Pet waste and the Board may elect to promulgate Rules and Regulations to enforce the same and other matters concerning Pets. Each Owner who determines to keep a Pet hereby agrees to indemnify the Association and Declarant and hold each of the Association and Declarant harmless against any loss or liability of any kind or character whatsoever arising from or growing out of such Owner having any animal on the Property.

Section 9.05. Garbage and Trash; Recycling.

(a) No garbage, trash, junk, refuse, rubbish, or waste materials shall be placed, kept, maintained, or stored on any Lot, except in covered containers and sealed sanitary containers of a type, size, color, and style which are required by the Local Municipality or pre-approved by the ARC. All such containers shall be kept inside Dwellings and screened from view from outside of the Lot, except when they are being transported and made available for collection. Containers transported and made available for collection shall not be placed at any Lot curb or outside any Dwelling earlier than 6:00 p.m. on the evening prior to the scheduled pickup, and must be retrieved and returned to storage inside the Dwelling by no later than 9:00 a.m. on the date after the pickup occurs. Garbage, trash, junk, refuse, rubbish, or waste materials, regardless of the type or cause, must be removed from the Lot by the Lot Owner and may not be permitted to stay or accumulate on any Lot. Outdoor incinerators may not be kept or maintained on any Lot. Notwithstanding anything to the contrary set forth above in this Section 9.05 if required by the Local Government in connection with the development of the Community, Declarant shall establish, on Common Area or otherwise, a centralized garbage collection and recycling facility (collectively, "Garbage Facility") at or near the main entrance of the Community, all in accordance with the Local Government requirements regarding establishment of the Garbage Facility. After Declarant establishes and constructs the same, the administration, regulation, care, maintenance, repair, restoration, replacement, insuring, preservation and protection of the Garbage Facility, regardless of whether or not the same is located on Common Area, shall be done by the Association at Common Expense, all in accordance with the Local Government's requirements regarding same. Rules and Regulations may be promulgated from time to time regarding the use of the Garbage Facility.

(b) The Board may establish a recycling program and recycling center within the Community and in such event, all occupants of Dwellings shall support such program by recycling, to the extent reasonably practical, all materials which the Association's recycling program or center is set up to accommodate. The Association may, but shall have no obligation to purchase recyclable materials in order to encourage participation and any income received by the Association as a result of such recycling efforts shall be used to offset expenses of the Association.

Section 9.06. Storage Receptacles. No fuel tanks or similar storage receptacles may be exposed to view, and the same may be installed only within an approved accessory building or structure, within a screened area, and they shall otherwise comply with Rules and Regulations established from time to time and applicable Law.

Section 9.07. Vehicles.

(a) Unless express prior written approval is given by the Board, in the Board's sole and absolute discretion, no commercial vehicle (including, but not limited to, any vehicle (i) with ladders, racks, hooks or other such equipment attached, (ii) displaying commercial advertising, or (iii) operated for the transportation of persons or property in the furtherance of any business, commercial, manufacturing, or industrial enterprise, for-hire, not-for-hire, or otherwise), recreational vehicle (including, but not limited to, personal water craft, all-terrain vehicles, and two-wheeled dirt bike

motorcycles), camper, mobile home, motor home, boat, house trailer, boat trailer, or trailer of any other kind or description (collectively, "Prohibited Vehicle(s)"), shall be permitted to be parked or to be stored at any place on the Property, unless Declarant designates specifically certain spaces for some or all of the above, in which case Declarant or the Association may change for the use of such spaces. The Board may, but is not required to, allow boats or other recreational vehicles or Prohibited Vehicles to be parked on a Lot behind an ARC-approved fence or wall which totally screens said boat or other recreational vehicle or Prohibited Vehicle from the view of all Streets and adjacent Dwellings. Provision for temporary visitation of Prohibited Vehicles may be established by the Board. The foregoing prohibition of parking shall not apply to temporary parking of commercial Prohibited Vehicles, such as for pick-up and delivery and other bona fide temporary commercial services being delivered or provided to a Lot or Dwelling, nor to Prohibited Vehicles which are stored within a Dwelling's closed garage, nor to any Prohibited Vehicles of Declarant or its affiliates or any Builder or building contractor designated by Declarant in writing from time to time. Marked or unmarked police cars and other municipal vehicles are specifically excluded from the definition of Prohibited Vehicles. The Board shall grant a variance from the restrictions of this Section as may be necessary to provide a reasonable accommodation as defined by the Department of Housing and Urban Development and the U.S. Department of Justice.

(b) No vehicle, regardless of whether it would otherwise be permitted to be parked on any Lot or other part of the Property, shall be permitted to be parked on any Lot (unless permanently in a garage) or other part of the Property if such vehicle is not fully functioning and operational, currently registered by the State of Florida or another U.S. state, and currently tagged (with a license plate affixed in the proper place(s) on said vehicle) by the State of Florida or such other U.S. state in which the vehicle is registered.

(c) All vehicles must be parked on surfaces designed for vehicle parking (e.g. parking areas or lots and driveways) and shall not in any event be parked on individual lawns or the grass of any Common Areas. Vehicles shall not be parked in a manner which would block fire hydrants, dumpsters, sidewalks or pedestrian or bicycle paths.

(d) No Owner or other occupant of the Community shall repair or restore any vehicle of any kind upon or within the Community, except for (i) emergency repairs and then only to the extent necessary to enable the movement thereof to a proper repair facility; or (ii) repairs completed within the garage (in which case no garage doors shall be left open overnight or at any other time when the subject vehicle is not actually being worked on or repaired).

(e) Inoperable vehicles (e.g. missing major components such as engines and/or transmissions, one or more flat tires, etc.), or derelict vehicles (e.g. broken glass, severely damaged body panels, unpainted body panels, etc.) must be fully enclosed within a closed garage at all times, and in any case may not be parked in plain view.

(f) As long as the provisions of Section 715.07 of the Florida Statutes are complied with, any vehicles parked in violation of the aforementioned or other restrictions contained herein, or in violation of any Rules and Regulations, may be towed by the Association at the sole cost and expense of the owner of such vehicle, if such vehicle remains in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or the owner thereof is otherwise notified. The Association shall not be liable to the owner of such vehicle for trespass, conversion, or otherwise, nor guilty of any criminal or civil act, by reason of such towing and once the notice is posted, neither its removal, nor failure of the owner thereof to receive it for any other reasons, shall be grounds for relief of any kind. An affidavit of the person posting such notice on any vehicle stating that it was properly posted shall be conclusive evidence of proper posting.

Section 9.08. Visibility of Intersections. No obstruction to visibility at Street intersections shall be permitted; provided that the Association shall not be liable in any manner to any person or entity, including Owners, their guests, tenants, subtenants, licensees and invitees, for any damages, injuries or deaths arising from any violation of this Section 9.08.

Section 9.09. Temporary Structures. No building or structure of a temporary or portable character such as trailers, tents or shacks shall be permitted in the Property, except as approved by the ARC, and except for temporary improvements used solely in connection with the construction of ARC approved permanent improvements and removed immediately upon completion of such ARC approved permanent improvement. Neither Declarant nor any Builders doing business in the Property shall be prohibited from erecting or maintaining temporary dwellings, model homes and other structures for development and marketing purposes, provided the same are in compliance with all applicable Laws, and further provided that any such Builder first obtains Declarant's written approval of such temporary dwelling, home or structure prior to installing or constructing same, such approval to be granted, conditioned or denied by Declarant in Declarant's sole and absolute discretion.

Section 9.10. Signs. No signs, advertisements, billboards, solicitation or advertising structures or materials of any kind shall be displayed or placed upon any Lot (including within any window) without the prior written approval of the ARC. Notwithstanding the foregoing, the following shall be permitted without prior approval of the ARC: (i) street number and name signs; and (ii) one (1) professionally made, non-digital, non-electric (or otherwise illuminated) sign constructed of metal or wood, installed on one wooden 4" by 4" post, and of not more than eight (8) square feet of surface area per side (2 sides maximum), containing no handwriting whatsoever, and used solely in connection with the marketing of the affected Lot for sale or lease. Wire-stake signs, commonly known as "H-Frame" or "U-Frame" signs, are expressly prohibited. The ARC shall have the right to establish guidelines so as to require a uniform standard for signs in the subdivision. Additionally, an Owner may display a sign of reasonable size provided by a contractor for security services provided that said sign is located no more than ten (10) feet from any entrance to a Dwelling. Declarant or the Association may enter upon any Lot and remove and destroy any sign which violates this Section 9.10. This Section 9.10 shall not apply to Declarant or to any Builder doing business in the Property provided that any such Builder first obtains Declarant's written approval of any such signs structures or materials prior to installing same, such approval to be granted, conditioned or denied by Declarant in Declarant's sole and absolute discretion.

Section 9.11. Air Conditioning Equipment. No air conditioning equipment other than compressor units may be visible on the exterior of any Dwelling unless previously approved by the ARC, which approval may be based on the aesthetics or adequacy of screening of such equipment. Window and wall air conditioning units are prohibited on the Property.

Section 9.12. Exterior Electronic or Electric Devices; Solar Panels.

(a) No exterior antennas and no citizen band or short wave antennas or satellite dishes in excess of one meter in diameter shall be permitted on any Lot or improvement thereon, except that Declarant and its affiliates shall have the right to install and maintain community antenna, microwave antenna, dishes, satellite antenna and radio, television and security lines. The location of any approved satellite dish must be approved by the ARC, which may require appropriate screening; provided, however, that the satellite dish shall be allowed in the least obtrusive location where the satellite signal may be received.

(b) No solar heating equipment, panels, collectors, or devices ("Solar Equipment") is permitted on or outside of any enclosed structure on any Lot, except such Solar Equipment which has been approved by the ARC or whose installation and use is protected by U.S.

federal or Florida law including, but not limited, by Section 163.04 of the Florida Statutes. Notwithstanding such protection, for aesthetic purposes, and to the maximum extent permitted by Section 163.04 of the Florida Statutes, the location, type, and design of all Solar Equipment must be approved by the ARC prior to installation and use of same, which approval, if granted, may require landscape or other screening, in the ARC's determination and reasonable discretion. An application for use and installation of such Solar Equipment must be submitted for approval to the ARC prior to installation and approval and will be granted only if: (i) such Solar Equipment is designed for minimal visual intrusion when installed (i.e., is located in a manner which minimizes visibility from all Streets and adjacent Lots); and (ii) the Solar Equipment complies to the maximum extent feasible with the ARC's requirements and the Planning Criteria. Without limiting, and in addition to the foregoing, Declarant or the ARC may determine the specific location where solar collectors may be installed on the roof of any Dwelling or building within an orientation to the south or within forty five (45) degrees east or west of due south if such determination does not impair the effective operation of the solar collectors. Notwithstanding anything contained herein to the contrary, Declarant may record solar easements within the Property consistent with Section 704.07 of the Florida Statutes.

Section 9.13. Subdivision. No part of the Property shall be further subdivided without the prior written consent of Declarant for so long as Declarant owns any Lot, and thereafter, by the Board.

Section 9.14. Completion. Upon commencement of construction of improvements on any Lot, the Owner shall diligently prosecute the work to the end so that the improvements shall be completed as expeditiously as is reasonable. The Owner of the Lot on which improvements are being built shall keep the Streets and areas adjacent to the Lot free from dirt, mud, garbage, trash or other debris occasioned by construction.

Section 9.15. Excavation. No clearing or excavation shall be made except incident to construction, maintenance or repair of an ARC approved improvement (or by Declarant, by a Builder, or in connection with development of the Property) and must be in accordance with the Permit; and upon completion thereof exposed openings shall be back-filled, and disturbed ground shall be leveled, graded and covered with sod or seeded in accordance with the approved Plans and the Permit.

Section 9.16. Sidewalks. If required by the Local Government, the Owner of each Lot shall construct, prior to occupancy of the Dwelling on that Lot, a sidewalk along each boundary line of the Lot which abuts a platted Street shown on any Recorded Plats.

Section 9.17. Fences and Walls. Except for fences and walls constructed by Declarant or a Builder, there shall be no fence or wall permitted on any Lot unless it has been approved by the ARC as to size, material, color, location, etc. Landscape buffers may be required by the ARC on the outside of any fences and walls. All fences must be of a material approved by the ARC and must be installed with the posts and supports on the inside. If the Owner of a Lot fails to timely remove any unauthorized or unapproved fence or portion thereof, the Declarant may remove such fence or portion thereof, in its discretion, without any liability whatsoever to said Owner, whereupon the fence or portion thereof may be disposed of. Notwithstanding anything herein to the contrary, so long as Declarant or any Builders designated by Declarant maintain any model homes within the Property, they shall have the right to fence all or any part of any Lots being used for parking for the term of such permitted use.

Section 9.18. Yard Accessories and Play Structures.

(a) Except as otherwise required by Law, all yard accessories and play structures, including basketball hoops or backboards and any other fixed games, shall be located at the side or rear of the Dwelling, except that, in the case of Dwelling(s) on corner Lots, such accessories and

structures shall be restricted to the side yard furthest from the side Street and to that portion of the rear yard which is no closer to the side Street than a fence would be permitted to be located by the Local Government. The location of any play structure or permanent basketball structure shall be approved by the ARC prior to location of the structure on a Lot. Basketball structures, either permanently mounted to a Dwelling above the garage or mounted to a permanent pole, will be allowed only under the following conditions:

- (i) basketball hoops and structures must be well-maintained;
- (ii) backboards must be transparent or white, NBA approved, with a limit of two colors of trim;
- (iii) nets are limited to white nylon;
- (iv) the location of the basketball hoop and structure must first be approved by the ARC;
- (v) If pole-mounted, the pole must be metal, either black or galvanized and permanently mounted into the ground with a concrete base; and
- (vi) No permanent basketball structures may be placed in any side yard.

Temporary basketball structures are allowed provided that they meet the requirements of items (i) through (iii) above. Temporary basketball structures shall be placed in the garage or laid down behind a fence when not in use so as not to be seen from the Streets or neighboring Lots. The time of play of basketball may be limited by the Board or the ARC to reasonable daylight hours.

- (b) Tree houses are prohibited within the Community.
- (c) The ARC may regulate the size and number (which could be zero) of permitted decorative statues or figures, birdbaths, bird houses, lawn ornaments and other yard art.

Section 9.19. Use; Rentals; Timesharing.

(a) Lots shall be used for single family residential purposes only. No trade, business, profession, occupation or other commercial activity or use shall be conducted on any Lot or within any Dwelling, provided, however, that an Owner or lawful Tenant of a completed Dwelling may use a single room within the Dwelling as an office for conducting business as long as the business: (I) does not involve or require regular visitation of the Lot or dwelling by clients, customers, suppliers, service providers, or other business invitees, or door-to-door solicitation within the Community; (II) does not include the manufacture or distribution of any products or goods in the Dwelling or on or from the Community; (iii) is not apparent or detectable by sight, sound, or smell from outside the Dwelling; (iv) complies with applicable land use and zoning requirements; (v) is consistent with the residential character of the Community and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of others within the Community, as determined from time to time in the Board's sole discretion; and (v) is not a daycare facility, child care facility, or assisted living/hospice facility. No signs shall be placed on any Dwelling or Lot which identifies the Dwelling or Lot as a place of business. For purposes of this section, "(B)usiness" shall have its ordinary, customary, generally accepted meaning and shall include, without limitation, any occupation, work, trade, or activity undertaken from time to time or on an ongoing basis which involves providing goods or services to persons other than the family of the

producer and for which the producer receives a fee, compensation, or other form of monetary or non-monetary consideration, regardless of whether: (A) such activity is engaged in full or part-time; (B) such activity is intended to or does generate a profit; or (C) a license is required. This section shall not apply to restrict Declarant's or Declarant's affiliates' activities or those a Builder, nor shall it restrict the activities of persons or entities Declarant approves with respect to the development and marketing/sale of property within the Community. This section also shall not apply to Association activities related to the provision of services or to operating and maintaining the Community, including the Community's recreational and other amenities. Leasing a Dwelling is not a "business" within the meaning of this section. Temporary uses of Lots by Declarant and its affiliates or assigns (including Builders as may be designated by Declarant from time to time) for model homes, sales displays, parking lots, sales offices, and other offices or uses, or any one or combination of the foregoing, shall be permitted until permanent cessation of such uses takes place. No changes may be made in buildings or structures erected by Declarant or its affiliates (except if such changes are made by Declarant) without the consent of Declarant and the ARC as provided herein.

(b) Owners shall be permitted to lease their Dwelling, provided that such lease shall require the tenant thereunder to comply with the Governing Documents and the terms and conditions of the Rules and Regulations. "Short-Term Rentals" (as that term is defined below) of Dwellings are prohibited. For purposes of this Declaration, the term "Short-Term Rentals" shall mean and refer to the leasing or rental of any Dwelling or Lot to a person or entity for a period of less than seven (7) consecutive months. Should an Owner enter into a lease or rental agreement, and said lease or rental agreement shall terminate or expire earlier than stated therein, then Owner may only enter into one more lease or rental agreement in the calendar year in which the previous lease or rental agreement terminated or expired. The subleasing or sub-renting of a Dwelling is subject to the same requirements and limitations as are applicable to the leasing or renting thereof. From time to time, the Association may request a copy of any lease or rental agreement, for the Association's records. Dwellings shall be leased in their entirety, and no individual rooms may be leased.

(c) No time sharing plan (as defined in Chapter 721, Florida Statutes, as may be amended from time to time), or any similar plan of fragmented or interval ownership of Dwellings shall be permitted. De facto timesharing of a Dwelling shall not be permitted. By way of example but not limitation, de facto timesharing shall include use of a Dwelling by multiple persons, such as siblings or business associates, who intend that they and their families would split occupancy of the Dwelling into different periods for use during the year.

Section 9.20. Pools. Swimming pools may not be located in the front or side yard of any Lot, nor nearer than the Dwelling to any side Street lot line. Swimming pools, spas, hot tubs, decks, screens, screen enclosures, lanais, etc. (collectively, "Pool Improvements"), shall be designed to be compatible and "tie in" with the architecture and material of the subject Dwelling. Screen enclosures and lanais shall be a maximum of one (1) story in height (unless building architecture, as determined by the ARC, requires two (2) stories in height). Tree protection barricades shall remain throughout construction of all Pool Improvements. All swimming pools shall be constructed and built at existing grade unless otherwise expressly approved by the ARC. All Pool Improvements construction shall, at all times, be in accordance with all applicable laws. In no event shall any above-ground swimming pool be permitted within the Community. All swimming pool materials, equipment, and play toys stored on any Lot shall be screened from view from outside the Lot. Swimming pool security fencing and screen enclosures shall be installed subject to applicable hurricane standards within the Florida Building Code or other applicable jurisdictional codes. No Pool Improvements may be constructed, erected, or maintained upon any Residential Property without the prior written approval of the ARC.

Section 9.21. Dwellings.

- (a) No Dwelling shall contain less than Two Thousand (2,000) square feet of air conditioned area under roof, exclusive of screened area, open porches, terraces, patios and the garage.
- (b) Each Dwelling shall have an attached fully enclosed garage capable of housing not less than two (2) standard sized automobiles, which shall not be enclosed for use as a living area.
- (c) Setbacks for Dwellings shall be as permitted by the Local Government.
- (d) No Dwelling shall exceed two (2) stories in height.
- (e) Except as permitted pursuant to Section 9.12 hereof or by the ARC, no projections of any type other than chimneys, skylights and vent stacks shall be placed or permitted to remain above any roof of any Dwelling.
- (f) No Dwelling shall have exposed structural block on its front elevation.
- (g) All driveways shall be constructed of solid concrete or decorative pavers approved by the ARC.
- (h) Except as may otherwise be provided herein (if at all) with regard to central air conditioning compressor units, all oil tanks, soft water tanks, wood piles, water softeners, well pumps, sprinkler pumps, pool and spa equipment and heaters, and other or similar mechanical fixtures and equipment, shall be screened or located so as not to be visible from a Street or other Lot.
- (i) Unless installed by Declarant or the Association, the following fence materials are expressly prohibited: (a) metal, other than decorative aluminum; (b) plastic, other than PVC which is tan in color; (c) fabric of any type; (d) wood of any type; (e) bamboo; or (f) chain link.

Section 9.22. Tree Removal and Landscaping. Except if done by Declarant, trees measuring six inches (6") or more in diameter at three feet (3') or more above ground level shall not be cut or removed without the prior written consent of the ARC; provided, however, if approved by the ARC, trees located within six feet (6') of the location of the Dwelling may be removed, regardless of size, without prior approval of the ARC. More restrictive arbor ordinances or environmental Laws shall control in the event of conflict herewith. There shall be no removal of trees or Lot clearing, other than clearing of underbrush, until the ARC has approved in writing a general, conceptual landscape plan that designates those existing trees to be retained and preserved on the Lot. All Lots shall have fully sodded front and side lawns using St. Augustine Grass (i.e., *Stenotaphrum Secundatum* "Floritam" or a similar variety) except in approved landscape or retained natural areas, or as otherwise installed by Declarant or permitted by the ARC. All areas of each Lot not covered by building improvements or included within approved gardens and natural areas within the Lot shall be sodded prior to occupancy of the Dwelling on that Lot. Unless prohibited by Law, natural areas shall be finished by removal of underbrush and addition of mulch. Notwithstanding anything contained herein to the contrary and unless done so by Declarant, prior to Turnover no tree, regardless of size, shall be removed without prior written consent of the ARC.

Section 9.23. Debris. Except for normal construction debris on any Lot during the course of construction of the Dwelling, no weeds, garbage, refuse or debris of any kind shall be placed or permitted to accumulate upon any portion any Lot.

Section 9.24. Pumping or Draining; Drilling or Mining. The Owner of any Lot which includes or is adjacent to any pond, creek, bay head, or other body of water shall not reduce the depth or size of said body of water by pumping or draining therefrom, or by placing fill dirt or any other material or debris in said body of water. No Owner of any Lot may drill or mine for, or otherwise extract or attempt to extract, minerals, oil, gas, or any other natural resources or geological materials from the subsurface of said Owner's Lot or from any other portion of the Property.

Section 9.25. Ramps. No skateboard or bicycle ramp or similar structure shall be permanently installed or maintained overnight on any portion of any Lot located forward of the rear wall of the Dwelling or adjacent to any side Street.

Section 9.26. Firearms. The discharge of firearms within the Property is prohibited. The term "firearms" includes "B-B" guns, pellet guns and other firearms of all types and sizes. Each Owner who determines to keep a firearm on or about the Property hereby agrees to indemnify the Association and Declarant and hold each of the Association and Declarant harmless against any loss or liability of any kind or character whatsoever arising from or growing out of such Owner having a firearm on the Property.

Section 9.27. Declarant Reservation. Any provision of this Declaration to the contrary notwithstanding, until Declarant and its successor and assigns has completed all of the contemplated improvements and closed the sales of all of the Lots, neither the Owners nor the Association shall interfere with, or allow the interference with, the completion of Declarant's planned improvements and the sale of the Lots. Declarant and Builders may make such lawful use of the unsold Lots and the Common Area, without charge, as may facilitate such completion and sale, including, but not limited to, maintenance of sales and construction trailers and offices, the showing of the Lots and the display of signs and the use of Lots for vehicular parking. Without limiting the generality of the foregoing, except only when the express provisions of this Declaration prohibit Declarant from taking a particular action, nothing in this Declaration shall be understood or construed to prevent or prohibit Declarant from any of the following:

(a) Doing on any property or Lot owned or controlled by it, whatever it determines to be necessary, convenient or advisable in connection with the completion of the development of the Property, including without limitation, the alteration of its construction plans and designs as Declarant deems advisable in the course of development (all models or sketches showing plans for future development of the Property, as same may be expanded, may be modified by Declarant at any time and from time to time, without notice); or

(b) Erecting, constructing and maintaining on any property or Lot owned or controlled by Declarant, such structures as may be reasonably necessary for the conduct of its business of completing said development and establishing the Property as a community and disposing of the same by sale, lease or otherwise; or

(c) Conducting on any property or Lot owned or controlled by Declarant, its business of developing, subdividing, grading and constructing improvements in the Property and of disposing of Lots therein by sale, lease or otherwise; or

(d) Determining in its sole discretion the nature of any type of improvements to be initially constructed as part of the Development or the Property; or

(e) Maintaining such sign or signs on any property or Lot owned or controlled by Declarant as may be necessary or desired in connection with the operation of any Lots owned by Declarant or the sale, lease, marketing or operation of the Lots; or

(f) Recording Supplemental Declarations which modify or amend this Declaration, which add or withdraw Additional Property, or that otherwise allow or permit Declarant to effect any action which may be required of Declarant by the Local Government or any other Governmental Authority or quasi-governmental agency in connection with the development and continuing operation of the Property; or

(g) Modifying, changing, re-configuring, removing or otherwise altering any improvements located on the Common Area or utilizing all or portions of the Common Area for construction access or staging (provided that same does not impair existing platted access (as shown on any Recorded Plats) or utility services to the Lots); or

(h) Causing utilities to be available to all portions of the Property, including, but not limited to, the reserving or granting of easements and rights of way as may be necessary to locate, install and maintain facilities and connections.

Section 9.28. Conservation Tracts. If any conservation tract is specifically designated as such on any Recorded Plat of the Property, then, except for those alterations made by Declarant and those additional alterations which may be permitted by applicable Governmental Authorities and the ARC, there shall be no further clearing, construction, grading or alteration of such tracts. Any portion of the Property which is designated on any Recorded Plat as "open space" shall not be developed in the future with any Dwellings or improvements and shall remain open space in perpetuity.

Section 9.29. Mailboxes.

(a) Community mailboxes may be provided by the United States Postal Service ("USPS") and individual mailboxes on each Lot shall be prohibited while community mailboxes are utilized by the U.S. Post Office. If community mailboxes are not provided, each Owner shall install a U.S. Postal Service-approved mailbox, the color, style and design of which shall be subject to approval by the ARC. All individual mailboxes shall be mounted on a 4" X 4" vertical post with a supporting bracket installed at a 45 degree angle to the post. Except for identifying numbers and letters, the mailbox shall be painted solid black and the post and support shall be painted solid white.

(b) Notwithstanding the foregoing, in connection with the development of the Community, should: (a) the USPS require the use of cluster box units approved by the USPS ("CBUs") for the purpose of centralized mail delivery by the USPS ("Centralized Mail Delivery") to the Community or any part, section, or phase thereof; (b) any other Governmental Authority requires the use of CBUs for Centralized Mail Delivery to the Community or any part, section, or phase thereof; or (c) Declarant, in its sole discretion, desires to develop the Community or any part, section, or phase thereof with CBUs for Centralized Mail Delivery, then the Community or the applicable part, section, or phase thereof shall be developed with concrete slabs on, as applicable, Common Area or Limited Common Area to accommodate the subject CBUs. Unless otherwise undertaken by the USPS from time to time, the Association, as determined necessary by the Board, and, as applicable, at Common Expense or Limited Common Area Expense, shall be responsible for the routine maintenance, repair, and replacement of the aforementioned concrete slabs and all CBUs, all in accordance with any applicable requirements, rules, policies, and guidelines of the USPS. Notwithstanding the foregoing, neither Declarant nor the Association shall ever be responsible for the safety or security of any CBUs or any mailboxes or parcel compartments contained therein. Each Owner and Member acknowledges and agrees that if at any time

their Lot is or becomes serviced by CBUs, all mail delivery to said Lot by the USPS will be done via the mailboxes or parcel compartments contained within the CBUs, as opposed to individual, curbside mailboxes for said Lot.

Section 9.30. Windows. No security bar system may be installed or placed on any window or door of any Dwelling in the Property. Window treatments within any Dwelling constructed on a Lot shall consist of drapery, blinds, decorative panels, or other window covering, and no newspaper, aluminum foil, sheets or other temporary window treatments are permitted, except for periods not exceeding twenty-one (21) days after an Owner or tenant first moves into a Dwelling or while permanent window treatments are being installed, cleaned, or repaired. All window coverings shall be professionally made, uniform in appearance, and generally keeping with the exterior scheme of the Unit. No awnings, canopies or shutters shall be affixed to the exterior of a Dwelling on a Lot without the prior written approval of the ARC. No reflective tinting or mirror finishes on windows on any Dwelling on a Lot shall be permitted unless approved by the ARC. Window treatments on any Dwelling facing the street shall be of a neutral color, such as white, off-white or wood tones.

Section 9.31. Outdoor Drying. No clothing, laundry or wash shall be aired or dried outside of any building structure on any Lot, unless such clothing, laundry, wash and drying apparatus are fully screened from view from adjacent property and streets by fencing or landscaping. Such clothing, laundry, or wash shall not be placed outside before sunrise and shall be removed from the exterior of the Lot by sunset each day.

Section 9.32. Use of Name "Seaside Vista." No Owner shall use the name(s) "Seaside Vista" or any logo associated with such name(s) and used by Declarant in connection with the Property, or any derivative of such name or logo, in any printed or promotional material or in any activity, without Declarant's prior written consent. Declarant may, however, use such names and logos with respect to any property or other development activities of Declarant, without the consent of any party, including any Owner.

Section 9.33. Garages. Garages are intended primarily for parking and vehicle storage. No garages may ever be converted to or otherwise used as: living space/quarters such as, but not limited to, family rooms, bedrooms, bonus rooms, recreational (rec) rooms, or secondary/mother-in-law suites; office space; or a workshop. Only the number of cars exceeding occupied garage spaces shall be parked on the driveway. Vehicles parked in the driveway shall be parked such that they are not blocking the sidewalk.

Section 9.34. Flags. Display of flags is permitted on Lots only as and to the extent expressly permitted pursuant to this Section 9.34 and any ARC guidelines as may be amended from time to time, though in no event shall any guideline or restriction conflict with the provisions of Section 720.304(2)(b), Florida Statutes (2018). Each Lot Owner may display one portable, removable United States flag or official flag of the State of Florida in a respectful manner, and one portable, removable official flag, in a respectful manner, not larger than 4.5 feet by 6 feet, which flag represents the United States Army, Navy, Air Force, Marine Corps, or Coast Guard, or a POW-MIA flag. Each Lot Owner may erect a single freestanding flagpole no more than 20 feet high on any portion of the said Owner's Lot ("Flagpole"), provided the Flagpole does not obstruct sightlines at intersections and is not erected within or upon any easement area established, granted, or reserved pursuant to this Declaration or otherwise. Each Lot Owner may further display in a respectful manner from the Flagpole, one official United States flag, not larger than 4.5 feet by 6 feet, and may additionally display one official flag of the State of Florida or the United States Army, Navy, Air Force, Marines, or Coast Guard, or a POW-MIA flag. Such additional flag of the State of Florida or the United States Army, Navy, Air Force, Marines, or Coast Guard, or a POW-MIA flag, must be equal in size to or smaller than the United States flag. In addition to the foregoing, each Lot

Owner may display either one (1) 2-sided decorative house flag or banner, or one (1) 2-sided decorative garden flag or banner, not larger than 29" wide x 44" long. Any such decorative flag or banner may only be displayed via a standard decorative neutral color flag pole or stand; must be professionally made of nylon, denier polyester, or similar material; must be in good condition, good taste, and not unsightly; unless installed by Declarant or approved in advance by Declarant, may not be used in connection with, as applicable, the advertising, advocating, promotion, marketing, sale, or leasing of the Property, the Community, any Lot, Dwelling, Member, Owner, Builder, product, good, service, business, real or personal property, or political party, candidate, or cause; and may not directly or indirectly, in anyway whatsoever, defame or cast negative light on or upon the Declarant, the Association, any Builder, the Community, the Property, any Lot, Dwelling, Member, Owner, product, good, service, business, real or personal property, or political party, candidate, or cause. Any holiday (e.g., Thanksgiving, Christmas, etc.) or seasonal (e.g., Spring) decorative flags and banners shall be subject to any Rules and Regulations regarding the time periods during which such flags and banners may be displayed. The Flagpole and aforementioned displays are subject at all times to all building codes, zoning setbacks, and other applicable governmental regulations, including, but not limited to, noise and lighting ordinances of the County, and to all setback and locational criteria set forth in the Governing Documents.

Section 9.35. Holiday Decorations. The Board may, from time to time, as necessary, adopt reasonable size, location, time, place, manner, and other Rules and Regulations with respect to holiday symbols and decorations inside Dwellings or on Lots generally, which Rules and Regulations may include, but shall not be limited to, establishing schedules and time periods during which such displays are allowed. For example, a Rule and Regulation may provide that Christmas displays may not be erected or permitted on any Lot, or to be visible outside any Dwelling, prior to Thanksgiving in the year that the subject Christmas occurs, and must be removed no later than the end of the second week of January of the next calendar year.

Section 9.36. Approved Builders. All development, construction, and reconstruction of any Dwelling or other improvements on or about a Lot shall be performed by a Builder approved by Declarant, or by another licensed residential building contractor approved by Declarant or the ARC (after Turnover).

Section 9.37. Solicitation. No soliciting shall be allowed at any time within the Property. Owners should notify the Association if a solicitor appears, and appropriate action may be taken by the Board.

Section 9.38. Yard Sales. The Board, in its sole and absolute discretion, may designate up to two (2) dates or weekends during each calendar year to hold and promote community-wide yard and/or garage sales. No other yard or garage sales shall ever be permitted to be held at any time within the Community by Owners or residents thereof.

Section 9.39. Exterior Lighting. Except as may be installed initially by Declarant, no spotlights, seasonal and special effect lighting, floodlights or similar high intensity lighting shall be placed or utilized upon any Lot which in any way will allow light to be reflected on any other Lot or the improvements thereon or upon any Common Area, or any part thereof without the prior written approval of the ARC and in accordance with the Architectural Guidelines and the Rules and Regulations. Low intensity lighting which does not disturb the Owners or other occupants shall be permitted.

Section 9.40. Traffic Hazards. Nothing shall be erected, constructed, planted or otherwise placed in the Community subsequent to the initial construction of Improvements in the Community by Declarant which creates a traffic hazard or blocks the vision of motorists upon any of the Streets or intersections of the Community.

Section 9.41. Hurricane Shutters. Any hurricane shutters or other protective devices visible from the outside of a Dwelling (collectively, "Hurricane Shutters") shall be of a type approved in writing by the ARC. Unless applicable law otherwise expressly permits the permanent affixing of same, Hurricane Shutters may only be used on a temporary basis, and shall not be stored on the exterior of any Residence. Any approval by the ARC shall not be deemed as an endorsement of the effectiveness of any Hurricane Shutters. Hurricane Shutters may not be left closed for any extended period beyond the time needed to protect the Dwelling from damage caused by a hurricane, tropical storm, or other high winds event (collectively, "Storm Event"). Any approved Hurricane Shutters may be installed or closed up five (5) days prior to the expected arrival of a Storm Event, and must be removed or opened within five (5) days after the end or passing of the Storm Event or as the Board may determine otherwise. Except as the Board may otherwise decide, Hurricane Shutters may not be closed at any time other than a Storm Event. A Lot Owner or occupant who plans to be absent during all or any portion of a hurricane season, i.e., June 1st through November 30th ("Hurricane Season") must prepare their Dwelling prior to their departure by designating a responsible firm or individual to care for their Dwelling should a Storm Event threaten or damage the Dwelling. Said Lot Owner or occupant must furnish the Association with the names of such firm or individual prior to any Storm Event.

Section 9.42. Variances. Declarant and the Board shall have the right and power to grant variances from the provisions of this Article IX and from the Rules and Regulations for good cause shown, as determined in the reasonable discretion of the Board. No variance granted as aforesaid shall alter, waive or impair the operation or effect of the provisions of this Article IX in any instance in which such variance is not granted.

ARTICLE X

STORMWATER MANAGEMENT

Section 10.01. Association. The Association shall be responsible for the maintenance, operation and repair of the Stormwater Management System. Maintenance of the Stormwater Management System shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the District. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the stormwater management system shall be as permitted, or if modified as approved by the District.

(a) Pursuant to Fl. Stat. §617.0302(11), the Association, as a corporation not for profit organized under Chapter 617 of the Florida statutes, has the power to sell, convey, mortgage, pledge, lease, exchange, transfer, or otherwise dispose of all or any part of its property and assets.

(b) Pursuant to Fl. Stat. §617.0302(2), the Association, as a corporation not for profit organized under Chapter 617 of the Florida statutes, has the power to sue and be sued and appear and defend in all actions and proceedings in its corporate name to the same extent as a natural person.

(c) At Common Expense, the Association shall have the authority at all times to contract for services to provide for operation and maintenance services concerning the Common Areas, the Stormwater or Surface Water Management System, any Association property, and the Association generally.

(d) The Association shall operate, maintain, and manage the Stormwater Management System(s) in a manner consistent with the requirements of the Permit and applicable District rules, and shall assist in the enforcement of the restrictions and covenants contained herein.

(e) The Association shall levy and collect adequate Assessments (e.g., Annual Assessments and Special Assessments) against Members of the Association for the cost of maintenance, operation, and replacement of the Stormwater Management System. The Assessments shall be used for the maintenance and repair of the Stormwater Management Systems and mitigation or preservation areas, including but not limited to work within retention areas, drainage structures and drainage easements.

(f) In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Stormwater Management System must be transferred to and accepted by an entity which complies with Rule 62-330.310, F.A.C., and Applicant's Handbook Volume I, Section 12.3, and be approved by the District prior to such termination, dissolution or liquidation.

(g) Existence of the Association shall commence with the filing the Articles with the Secretary of State, Tallahassee, Florida, and the Association shall thereafter exist in perpetuity. However, if the Association is dissolved, the Stormwater Management System, any property containing the Stormwater Management System, and all water management portions of Common Areas, shall be conveyed to an entity meeting the requirements of subsection (c) directly above.

(h) As provided elsewhere herein, this Declaration shall run with and bind and benefit the Property for a term of thirty (30) years from the Effective Date, after which time this Declaration and each Supplemental Declaration shall be automatically extended for successive periods of ten (10) years, unless prior to the commencement of any 10-year extension period an instrument properly executed and signed by the Owners of eighty percent (80%) of the Lots and agreeing to terminate this Declaration is Recorded in the Public Records.

(i) A "Recorded Notice of Environmental Resource Permit," Form No. 62-330.090(1), shall be Recorded in the Public Records. If Rules are promulgated a copy of the Permit shall be attached to said Rules as an exhibit. The Registered Agent for the Association will maintain a copy of the Permit and copies of all further permitting actions for the benefit of the Association.

Section 10.02. Ownership/Control, Maintenance, and General Use of Stormwater Management System.

(a) The Association owns the Stormwater Management System. The Stormwater Management System is located on land that is designated as Common Area, is located on land that is owned by the Association, or is located on land that is subject to a perpetual easement in favor of the Association and its successors such that the Association has the perpetual right to operate and maintain the Stormwater Management System.

(b) The Association shall be responsible for the maintenance, operation and repair of the Stormwater Management System. It is the responsibility of the Association to operate and maintain the Stormwater Management System. Maintenance of the Stormwater Management System(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the District. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified as approved by the District. If monitoring and/or maintenance of wetland mitigation areas are required by the Permit, the Association, at Common Expense, shall be perpetually responsible for carrying out said monitoring and/or maintenance to complete any necessary or required tasks successfully, including meeting all conditions associated with said wetland mitigation, maintenance, and monitoring.

(c) To the extent not included in the areas required to be maintained by the Association pursuant to Section 10.02(b) above, each Owner shall, at that Owner's expense, grass over, provide routine landscape maintenance, mow and keep free of trash and debris, on a routine basis, those portions of the Stormwater Management System located on or within that Owner's Lot (whether or not included in a platted drainage easement depicted on any Recorded Plat), failing which the Association shall perform the required maintenance and may levy an Individual Assessment to cover the costs thereof. Each Owner shall be responsible for the "Maintenance, Operation and Repair" (as that term is defined below) of the swales, if any, on the Owner's Lot, failing which the Association shall perform the required maintenance and may levy an Individual Assessment to cover the costs thereof. The term "Maintenance, Operation and Repair", as used in this Declaration, shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted or required by the Permit or the District. Filling, excavation, or construction of fences, or the existence of anything else that interferes with drainage or otherwise obstructs the surface water flow in the swales is prohibited. No alteration of the swale shall be authorized and any damage to any swale, whether caused by natural or human-induced phenomena, shall be repaired and the swale returned to its former and proper condition as soon as possible by the Owner(s) of the Lot(s) upon which the swale is located, failing which the Association shall perform the required repair and may levy an Individual Assessment to cover the costs thereof.

(d) Unless first approved by the ARC and the District, no Owner, including Declarant, may obstruct, alter or in any way modify the method and/or structures of drainage utilized or installed by Declarant or the Association from, on, or across any Lot, Common Area, Areas of Common Responsibility, or any easement area; nor shall any structure or material be erected, placed or maintained which shall in any way obstruct such drainage devices or facilities or impede their efficient operation. No elevation changes shall be permitted on any Lot which materially adversely affects the drainage of or to neighboring Lots or the Common Area, or any Areas of Common Responsibility.

(e) It shall be the responsibility of each Owner, at the time of construction of the Dwelling or any other structure or building on that Owner's Lot, to comply with the approved construction plans for the Stormwater Management System on file with the District.

(f) Fences may only be permitted within drainage easements on an Owner's Lot so long as the fence does not block or impede the flow of water through the drainage easement area. With regard to any fences permitted within drainage easements pursuant to the terms hereof, the Owner of the subject Lot shall be responsible for removal/replacement of the fence or any portion thereof if removal of same is required in connection with any maintenance, repair, construction, or installations concerning the drainage easement area or the Stormwater Management System. Notwithstanding the foregoing, if the Owner of the subject Lot fails to timely remove any such fence or portion thereof, the Declarant, the Association, and any Governmental Authority (including, but not limited to, the District) may remove such fence or portion thereof, in its discretion, without any liability whatsoever to said Owner, whereupon the fence or portion thereof may be disposed of, and without the party removing the fence or any portion thereof being required to thereafter reinstall or replace said fence or portion thereof.

(g) ALL OWNERS ARE HEREBY ADVISED THAT A PERMIT FROM THE DISTRICT WILL BE REQUIRED IF ANY OF THE FOLLOWING ITEMS ARE PROPOSED: (I) ANY ALTERATION TO THE STORMWATER MANAGEMENT SYSTEM; OR (II) ENCROACHMENT INTO THE WETLANDS, WETLAND BUFFERS, OR ADJACENT OFF-SITE PROPERTY LINE BUFFERS.

Section 10.03. Easements for Access and Drainage.

(a) The Association shall have a perpetual non-exclusive easement over all areas of the Stormwater Management System for access thereto and to operate, maintain or repair the system. By virtue of said easement, the Association shall have the right to enter upon any portion of any Lot which is a part of the Stormwater Management System, at a reasonable time and in a reasonable manner, to operate, maintain or repair the Stormwater Management System as required by the Permit, subject to any maintenance responsibilities assumed by any Governmental Authorities. Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire Stormwater Management System. No person shall alter the drainage flow of the Stormwater Management System, including buffer areas or swales, without the prior written approval of the Association and the District.

(b) Each Owner (including Declarant) shall have a non-exclusive right and easement of use and enjoyment to drain across the Stormwater Management System in accordance with the Permit, District rules, and the Rules and Regulations.

Section 10.04. Amendment to Declaration. Any Amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including mitigation or preservation areas and the water management portions of the Common Areas, must have the prior approval of the District. Any proposed Amendment to this Declaration affecting the Stormwater Management System (including environmental conservation areas and the water management portions of the Common Areas) shall be submitted to the District for a determination of whether the Amendment necessitates a modification of the Permit. If a modification is necessary, the District will so advise the Permit's permittee. The Amendment affecting the Stormwater Management System may not be finalized until any necessary Permit modification is approved by the District or the Association is advised that a modification is not necessary.

Section 10.05. Enforcement. The District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, and repair of the Stormwater Management System. The District has the right to take enforcement action, including a civil action for an injunction and penalties, against the Association to compel it to correct any outstanding problems with the Stormwater Management System facilities or in mitigation or conservation areas under the responsibility or control of the Association.

ARTICLE XI

ADDITIONAL COVENANTS AND RESTRICTIONS

No Owner may impose any additional covenants, conditions or restrictions on any part of the Property without the prior written approval of Declarant, for so long as Declarant owns any Lots, and thereafter, without the prior written approval of the Board.

ARTICLE XII

AMENDMENT

Section 12.01. Amendment by Members

(a) Amendment by Written Instrument. This Declaration may be amended (an "Amendment") at any time by the holders of a simple majority of the votes in the Association (without regard to membership class). Upon approval of an Amendment in accordance with the preceding

sentence, the Board shall direct the appropriate Officer, agent or employee of the Association to have a written instrument prepared in recordable form which instrument shall set forth the text of the approved Amendment, and which Amendment shall also comply with all requirements of the Association Act. Upon execution of the Amendment by the holders of at least a simple majority of the votes in the Association (without regard to membership class), the Board shall direct the appropriate Officer, agent or employee of the Association to Record the Amendment in the Public Records. The Amendment will be deemed effective upon Recording.

(b) Amendment by Vote at a Duly-Authorized Meeting. An Amendment may be proposed by Declarant (before or after Turnover), the Association, or after Turnover, through a petition signed by ten percent (10%) of the Owners. If a proposed Amendment is to be adopted by a vote, a written copy of the proposed Amendment shall be furnished to each Owner at least thirty (30) days, but not more than ninety (90) days, prior to a duly-authorized meeting called to discuss the proposed Amendment. To pass, the proposed Amendment shall be approved upon the affirmative vote of at least a simple majority of the membership casting votes (either in person or by proxy) (as governed by Section 12.01(a) herein) at a meeting duly called to consider the proposed Amendment. Upon the approval of an Amendment pursuant to this Section 12.01(b), the President and Secretary shall execute a written instrument in recordable form which shall set forth the text of the Amendment, the effective date of the Amendment, the date of the meeting of the Association at which such Amendment was adopted, the date that notice of such meeting was given, the total number of votes cast at the meeting (either in person or by proxy), the total number of votes necessary to adopt the Amendment, the total number of votes cast for the Amendment, and the total number of votes cast against the Amendment. The written Amendment executed by the President and Secretary shall be Recorded in the Public Records. The Amendment will be deemed effective upon Recording.

(c) Amendment by Declarant. Until such time as Turnover occurs, Declarant specifically reserves the absolute and unconditional right to alter, modify, change, revoke, rescind, amend, restate, or cancel all or any portion of this Declaration (or any of the other Governing Documents) or the restrictive covenants contained in this Declaration (or in any of the other Governing Documents); provided, however, that to be valid and enforceable, any such amendment by Declarant may not be arbitrary, capricious, or in bad faith; destroy the general plan of development of the community; prejudice the rights of existing Non-Declarant Members to use and enjoy the benefits of Common Area; or materially shift economic burdens from the Declarant to the existing Non-Declarant Members. Following Declarant's relinquishment of control of the Association, this Declaration may only be amended pursuant to the provisions of such Section 12.01(a) and Section 12.01(b) hereof.

Section 12.02. Restrictions on Amendments Notwithstanding anything to the contrary contained in Section 12.01 hereof, no Amendment to this Declaration may: (i) remove, revoke, or modify any right or privilege of Declarant without the prior express written consent of Declarant or the assignee of any such right or privilege which consent may be granted, conditioned or denied in such party's absolute and sole discretion; (ii) impair the validity or priority of the lien of any Mortgage or impair the rights granted to Mortgagees herein without the prior written consent of such Mortgagees; (iii) to the extent that any provision of the Declaration has been included to satisfy a condition of approval of a planned development, preliminary subdivision plan, development order or a subdivision plat of the property, such provision shall not be changed, amended, modified or otherwise deleted or eliminated without the prior written consent of the applicable Governmental Authority; (iv) result in or facilitate a termination of the Association's obligation to maintain the Common Area; or (v) change, amend, modify, eliminate or delete the restrictions contained in this Section 12.02. Additionally, any proposed Amendment which would have the effect of materially altering the general plan of development for the Development or which would materially prejudice the Owners' rights to use and enjoy the benefits of the

Common Area, shall require the unanimous written consent of all Owners. No Amendment shall be permitted that would violate the Association Act.

ARTICLE XIII

HUD/FHA/VA AND DISTRICT APPROVAL RIGHTS

Notwithstanding anything in this Declaration to the contrary, as long as there exists a Class "B" membership, if any one or more of the U.S. Department of Housing and Urban Development (HUD), the Federal Housing Administration (FHA) or the U.S. Department of Veterans Affairs (VA), or any successor department or agency of any of the foregoing, requires approval or consent by it or them to annexation of Additional Property, any merger or consolidation involving the Association, the placing of any mortgage lien on the Common Area, dedication to the public of any Common Area, any Amendment, or dissolution of the Association, by any one or more of said agencies as a condition of making, insuring or purchasing loans on Dwellings in the Property, and any such loan has been approved, insured, guaranteed, or purchased by the applicable agency at the time of the proposed annexation, merger, consolidation, mortgaging, dedication, Amendment or dissolution, then the required consent or approval shall be obtained.

ARTICLE XIV

DURATION AND TERMINATION

This Declaration shall run with and bind and benefit the Property, and shall inure to the benefit of and be enforceable by Declarant, the Association and any Owner, and their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the Effective Date, after which time this Declaration and each Supplemental Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the commencement of any 10-year extension period an instrument properly executed and signed by the Owners of eighty percent (80%) of the Lots and agreeing to terminate this Declaration is Recorded in the Public Records.

ARTICLE XV

ENFORCEMENT

Section 15.01. Compliance by Owners. Every Owner and all guests, tenants, subtenants, occupants, licensees, and guests and invitees of any Member, shall comply with the restrictions and covenants set forth in this Declaration and any and all Rules and Regulations which from time to time may be adopted.

Section 15.02. Enforcement. Failure of an Owner or that Owner's tenants, subtenants, occupants, licensees, invitees and guests to comply with the restrictions and covenants set forth in this Declaration or the Rules and Regulations applicable to the Owner, the Lot, the Dwelling or the Property, shall be grounds for immediate action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof. The offending Owner shall be responsible for all costs and expenses of enforcement, including, but not limited to, attorneys' and paralegals' fees actually incurred and court costs, fees and expenses. If any person shall violate or attempt or threaten to violate the provisions of this Declaration, it shall be lawful for Declarant, any Owner, or the Association: (a) to prosecute proceedings for the recovery of damages against those so violating or attempting to violate the provisions of this Declaration; (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting or threatening to violate the provisions of this

Declaration, for the purpose of preventing or enjoining all or any such violations or attempted or threatened violations; or (c) to maintain a proceeding for any other equitable or legal recourse or remedy available at law or in equity to address or prevent the violation or attempted or threatened violation of this Declaration. In addition, whenever there shall have been built or there shall exist on any Lot any structure, building, thing or condition which violates the provisions of this Declaration, Declarant or the Association (but not any Owner) shall have the right, but not the obligation, to enter upon the Lot where such violation exists and summarily abate and remove the same, all at the expense of the Owner of such Lot, which expense shall constitute an Individual Assessment, and such entry and abatement or removal shall not be deemed a trespass or make Declarant, the Board, or Association, or the directors, officers, members, agents, employees, contractors or subcontractors of any of the foregoing, liable for any damages on account thereof. The remedies contained in this Section 15.02 shall be cumulative of all other remedies now or hereafter provided by law, in equity, or by virtue of this Declaration. The failure of Declarant, the Board, the Association, or an Owner to enforce any covenant, restriction, obligation, right, power, privilege or reservation contained in this Declaration, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto.

Section 15.03. Fines; Suspension. In addition to all other remedies, and to the maximum extent lawful, in the sole discretion of the Board of Directors, (A) a fine or fines may be imposed upon an Owner for failure of an Owner or that Owner's tenants, subtenants, occupants, licensees, invitees and guests to comply with any condition, covenant or restriction contained in this Declaration or any Rule or Regulation, and (B) the Association shall have the right to suspend for a reasonable period of time the rights of use of the Common Area and the facilities located thereon (except for vehicular and pedestrian ingress to and egress from the Lot, including, but not limited to, the right to park of defaulting Owners) provided that before imposing any fine or suspension, the following procedures are adhered to:

(a) Notice. The Association shall notify the Owner of the alleged infraction or infractions. Included in the notice shall be the date and time of a hearing of a committee of at least three (3) Members who are appointed by the Board of Directors (the "Committee"), at which time the Owner may present reasons why a fine(s) or suspension should not be imposed. The members of the Committee shall not be Officers, Directors, or employees of the Association, or the spouse, parent, child, brother or sister of an Officer, Director, or employee of the Association. At least fourteen (14) days' notice of such meeting shall be given.

(b) Hearing. The alleged non-compliance shall be presented to the Committee after which the Committee shall hear reasons why a fine(s) or suspension should not be imposed. A written decision of the Committee shall be submitted to the Owner by not later than twenty-one (21) days after the Committee's hearing. The Owner shall have a right to be represented by counsel and to cross examine witnesses. If the Committee does not approve a proposed fine or suspension by majority vote, it may not be imposed.

(c) Amounts. The Board of Directors (if the Committee's findings are made against the Owner) may impose a suspension or a fine in the form of Special Assessments against the Lot owned by the Owner as follows:

(i) For each separate violation, a fine not exceeding One Hundred and 00/100 Dollars (\$100.00). Each day that there exists on any Lot any structure, thing or condition which violates this Declaration shall be considered a separate violation.

(ii) Because Declarant intends that the Property be developed and occupied as a high-end residential development, it is important that the Association have

the authority and leeway to enforce the covenants, conditions, and restriction set forth in the Governing Documents and the Rules and Regulations by meaningful fines. Therefore, fines may exceed One Thousand and 00/100 Dollars (\$1,000.00) in the aggregate and there shall be no limit on the aggregate amount of fines that may be levied for continuing violations of the covenants, conditions, and restriction set forth in the Governing Documents or in the Rules and Regulations.

(d) Payment and Collection of Fines. Any Owner against whose Lot fines have been levied shall remit such fines to the Association within thirty (30) days of receiving notice of such fines from the Association. The Association may pursue legal and equitable remedies to recover such fines. Fines shall be treated as an Individual Assessment subject to the provisions for the collection of Individual Assessments, and the lien securing same, as set forth herein.

(e) Application of Proceeds. All moneys received from fines shall be allocated as directed by the Board of Directors.

(f) Non-exclusive Remedy. These fines and suspensions shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; provided, however, any fines paid by the offending Owner shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by Law from such Owner.

(g) CPI. Unless limited by Law, specific dollar amounts stated in this Section 15.03 shall increase from time to time by application of a nationally recognized consumer price index chosen by the Board of Directors, using the year of the Effective Date as the base year. In the event no such consumer price index is available, the Board shall choose a reasonable alternative to compute such increases.

(h) Suspension of Voting Rights. In accordance with Florida law, the Association may suspend the voting rights of a Member for the nonpayment of regular Annual Assessments that are delinquent in excess of ninety (90) days.

ARTICLE XVI

DAMAGE OR DESTRUCTION TO COMMON AREA

Damage to or destruction of all or any portion of the Common Area shall be addressed in the following manner, notwithstanding any provision in this Declaration to the contrary:

Section 16.01. Sufficient Insurance Proceeds. In the event of damage to or destruction of the Common Area, if the insurance proceeds are sufficient to effect total restoration, then the Association shall cause such portions of the Common Area to be repaired and reconstructed substantially as previously existed prior to such damage or destruction.

Section 16.02. Insufficient Insurance Proceeds. If the insurance proceeds are not sufficient to effect total restoration of the Common Area, then the Association shall cause such portions of the Common Area to be repaired and reconstructed substantially as they previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Special Assessment against each of the Owners in accordance with the provisions of Article VI of this Declaration.

Section 16.03. Negligence or Willful Misconduct. Each Owner shall be liable to the Association for the cost to repair any damage to the Common Area not fully covered by collected insurance which may be sustained by reason of the negligence, willful misconduct or wrongdoing of any Owner or that Owner's tenants, subtenants, occupants, licensees, guests or invitees. In addition, the Association shall have the right to charge any Owner for the increase, if any, in any insurance premiums attributable to damage caused by such Owner or that Owner's tenants, subtenants, occupants, licensees, guests or invitees. Notwithstanding the foregoing, at the discretion of the Association, the Association shall have the right to collect from the applicable Owner the full amount of the cost to repair any damage which may be sustained by reason of the negligence, willful misconduct or wrongdoing of any Owner or that Owner's tenants, subtenants, occupants, licensees, guests or invitees. The sums due from an Owner hereunder shall be an Individual Assessment against the Owner and that Owner's Lot and may be collected as provided elsewhere in this Declaration for the collection of Individual Assessments.

ARTICLE XVII

MORTGAGEE PROTECTION

Section 17.01. Records and Notices. The Association shall make available to all Owners and to all Mortgagees and guarantors of any Mortgages, for inspection, upon request, during normal business hours or as set forth in the Rules, current copies of the Governing Documents and the books and records of the Association (including the Budget). All Mortgagees and guarantors of any Mortgages shall be entitled, upon prior written request, which request shall state the name and address of such holder, insurer, or guarantor, and to identify with particularity the encumbered Lot: (i) to receive a copy of the Association's financial statement for the immediately preceding Fiscal Year; (ii) to receive notice from the Association of an alleged default by any Owner in the performance of such Owner's obligations under the Governing Documents, which default is not cured within thirty (30) days after the Association learns of such default and to the extent that the Mortgagee, insurer and/or guarantor has an interest, by virtue of the Mortgage, in the Lot owned by the defaulting Owner; and (iii) to receive notice of any substantial condemnation loss or any casualty loss which affects a material portion of the Property or which affects the Lot(s) on which there is a Mortgage held, insured, or guaranteed by such Mortgagee.

Section 17.02. Adverse Events.

(a) Any Mortgagee, insurer or guarantor of a Mortgage shall have, if first requested in writing, which request shall state the name and address of such holder, insurer, or guarantor, and to identify with particularity the encumbered Lot, to timely written notice of (i) any condemnation or casualty loss affecting a material portion of the Common Area, (ii) a sixty (60) day delinquency in the payment of the Assessments on a mortgaged Lot in which said holder, insurer or guarantor has an interest, and (iii) the occurrence of a lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

(b) Any failure by the Association to furnish any notice under this Section 17.02 hereof shall not result in liability of the Association because such notice is given as a courtesy to a requesting Mortgagee and guarantors of any Mortgages, and the furnishing of such notice is not an obligation of the Association to any Mortgagee or guarantors of any Mortgages.

Section 17.03. Failure of Mortgagee to Respond. Any Mortgagee or guarantors of any Mortgage who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within sixty (60) days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

ARTICLE XVIII

GENERAL PROVISIONS

Section 18.01. Notice. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when personally delivered or mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 18.02. Enforcement. Without limiting the generality of Article XV, enforcement of the covenants and restrictions of the Declaration and the other Governing Documents may be accomplished by any proceeding at law or in equity against any person or persons violating or attempting or threatening to violate any condition, covenant or restriction of the Declaration or the other Governing Documents, either to restrain violation or to recover damages, and against the Lots to enforce any lien created by the conditions, covenants and restrictions of this Declaration; and failure to enforce any condition, covenant or restriction of the Declaration or the other Governing Documents shall in no event be deemed a waiver of the right to do so thereafter.

Section 18.03. Interpretation. The article and section headings have been inserted for convenience only, and shall not be considered or referred to in resolving questions and interpretation or construction of this Declaration. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular, and the masculine, feminine and neuter genders shall each include the others.

Section 18.04. Severability. If any clause or provision of any Constituent Document is deemed by a court of law illegal, invalid, or unenforceable under any present or future Law, the remainder of such Constituent Document shall not be affected thereby. It is the intention of Declarant that if any such provision of any Constituent Document is held to be illegal, invalid, or unenforceable, there shall be added in lieu thereof a provision as similar in terms to such provision as is possible and still be legal, valid and enforceable.

Section 18.05. Effective Date. This Declaration shall become effective on the Effective Date.

Section 18.06. Conflict. As more specifically addressed below, this Declaration shall take precedence over conflicting provisions in the Articles and Bylaws and the Rules and Regulations, said Articles shall take precedence over conflicting provisions in the Bylaws and the Rules and Regulations, said Bylaws shall take precedence over conflicting provisions in the Rules and Regulations, and the Rules shall take precedence over conflicting provisions in the Architectural Guidelines.

Section 18.07. Cooperation. Each Owner, by joinder to this Declaration or acceptance of a deed conveying a Lot to the Owner or other conveyance thereof, whether or not it shall be so expressed in such deed or other conveyance, shall be deemed to covenant and agree with Declarant, to cooperate in, and support, and grant Declarant a limited power of attorney on such Owner's behalf for, any and all zoning, administrative, governmental and/or quasi-governmental filings, applications, requests, submissions and other actions deemed necessary, convenient or desirable by Declarant for development and/or improvement of the Property, including, without limitation, signing any required easements, agreements, applications, subdivisions plats, etc., as the owner of any portion of the Property owned or controlled thereby when necessary or requested to do so by Declarant.

Section 18.08. Easements. Should the intended creation of any easement provided for in this Declaration fail by reason of the fact that at the time of creation there may be no grantee in being having

the capacity to take and hold such easement, then any such grant of easement deemed not to have been so created shall nevertheless be considered as having been granted directly to the Association as agent for such intended grantees for the purpose of allowing the original party or parties to whom the easements were originally intended to have been granted the benefit of such easement and the Owners hereby designate Declarant and the Association (or either of them) as their lawful attorney-in-fact to execute any instrument on such Owners' behalf as may hereafter be required or deemed necessary or convenient for the purpose of later creating such easement as it was intended to have been created herein. All parties using easements granted in this Declaration shall use reasonable efforts to minimize interference with all other permitted uses of the easements and the property subject thereto and shall restore any damage to such property caused in the exercise of any rights granted in any such easement.

Section 18.09. No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Common Area to the public, or for any public use.

Section 18.10. Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest whatsoever in or to any Lot, shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition, lien and covenant contained in this Declaration, whether or not any reference hereto is contained in the instrument by which such person acquired such interest in such Lot.

Section 18.11. Execution of Documents Required by the Local Government. Declarant's plan for the development of the Development may require from time to time the execution of certain documents required by the Local Government, including but not limited to the Plat. To the extent that said documents require the joinder of any or all Owners each of said Owners, by virtue of said Owner's joinder to this Declaration or acceptance of a deed to the Owner's Lot or other conveyance thereof, does irrevocably give and grant to Declarant, or any of its officers individually, full power of attorney to execute said documents as the Owner's agent and in the Owner's place and stead.

Section 18.12. Construction. This Declaration may be amended without amending any of the other Governing Documents. The provisions of the Governing Documents shall be liberally construed so as to effectuate the purposes herein expressed with respect to the efficient operation of the Association and the community; to effectuate the purpose of creating a uniform plan for the operation of the Property; for the preservation of the value of the Property; and the protection of Declarant's rights, benefits, and privileges contemplated herein, in the other Governing Documents, and under the Association Act, to the fullest extent permitted by Florida law. If there is or should there ever be any conflicts between Florida law and the terms and provisions of the Governing Documents, or between the terms and provisions of more than one Governing Document, then the following order of priority and governance shall prevail, but only as necessary to resolve such specific conflict(s): (A) Florida law; (B) this Declaration; (C) any Supplemental Declaration (in the event that there are multiple Supplemental Declaration, then the order of priority and governance of such Supplemental Declarations shall be based upon Recording order); (D) the Articles; (E) the Bylaws; (F) the Architectural Guidelines; and (G) the Rules and Regulations. If a Governing Document of a higher priority and governance, as established above, is amended in such a way that the terms and provisions of such Governing Document conflict with the terms and provisions of any lower priority Governing Documents, as established above, then the lower priority Governing Documents shall be deemed automatically and simultaneously amended with the amendment of the higher priority Governing Document, so that such lower priority Governing Documents may be read and interpreted to be consistent with the higher priority Governing Document. In no event shall any lower priority Governing Documents be amended if such amendment would conflict with the terms and provisions of any higher priority Governing Document, and any such purported amendment shall be automatically ineffective and void. Notwithstanding that some or all of the Governing Documents may have been

prepared, initially, at the direction of Declarant, and notwithstanding any rule of construction to the contrary, the Governing Documents shall not be more strictly construed or interpreted against Declarant or any of Declarant's affiliates than against any other person or entity.

Section 18.13. Assignment of Rights and Duties. Declarant hereby expressly reserves and shall hereafter have the right to assign all or any part of the rights, powers, benefits, and reservations under the Governing Documents and under the Association Act to any corporation, company, partnership, firm, or any other legal entity of any kind, character or nature, whatsoever, that has or acquires fee simple interest in any part of the Property, and that accepts and assumes in writing the duties and liabilities of Declarant pertaining to the particular rights, powers, benefits, and reservations so assigned ("Assignee"). Upon the Recording of such instrument of assignment and assumption in the Public Records ("Assignment and Assumption"), Assignee shall, to the extent expressly set forth in such Assignment and Assumption, have the same rights, powers, benefits, and reservations of Declarant, and be subject to the same obligations, duties, and liabilities of Declarant as are herein or under the Association Act given to, accepted, and assumed by Assignee, as the case may be. Declarant hereby expressly reserves and shall hereafter have the right to appoint or designate one or more Co-Declarants, subject to the terms and conditions of the specific Assignment and Assumption appointing such Co-Declarant(s). Notwithstanding anything to the contrary contained herein, in any Assignment and Assumption, or otherwise, to the extent that any rights and liabilities of Declarant under this Declaration and under the Association Act are not expressly assigned and assumed pursuant to an Assignment and Assumption, such rights and liabilities shall remain Declarant's rights and liabilities.

Section 18.14. Breach Shall Not Permit Termination. No breach of this Declaration shall entitle any Member or Owner to cancel, rescind, or otherwise terminate this Declaration, but such limitation shall not affect in any manner any other rights or remedies which such Member or Owner may have hereunder by reason of any breach of this Declaration. Any breach of any of said covenants or restrictions, however, shall not defeat or render invalid the lien of any Mortgage, but such covenants or restrictions shall be binding upon and effective against such Owner of any of said Property or any portion thereof whose title thereto is acquired by foreclosure, deed in lieu, trustee sale or otherwise.

Section 18.15. Negation of Partnership. None of the terms, conditions, or provisions of this Declaration shall be deemed to create a partnership between or among the Owners, Members, Association, or Declarant, nor shall it cause them to be considered joint venturers or members of any joint enterprise. Each such entity shall be considered a separate entity and no such entity shall have the right to act as an agent for another unless expressly authorized to do so herein or by separate instrument signed by the party(ies) to be charged.

Section 18.16. Attorney Fees. In the event of the institution of any legal proceedings for any violation or attempted or threatened violation of any of the terms, covenants, restrictions and conditions contained herein, or concerning the interpretation or application of any of the foregoing to any person or property, or for the collection of any sums due and payable hereunder, or for the foreclosures of any liens provided for herein, the prevailing party(ies) shall be entitled to recover all expenses incurred in connection therewith, including, but not limited to, reasonable attorneys' fees, legal fees, and other costs and expenses of litigation connected therewith, which fees, costs, and expenses shall include those caused by reason of any appellate proceeding, re-hearing, appeal, post-judgment action, or otherwise, from the non-prevailing party(ies).

Section 18.17. No Vested Rights. Each Owner by acceptance of a deed to a Dwelling irrevocably waives any claim that such Owner has any vested rights pursuant to case law or statute with respect to this Declaration or any of the other Governing Documents. It is expressly intended that Declarant and the Association shall have the broad right to amend this Declaration and the other

Governing Documents, except as limited by applicable law as it exists on the Effective Date or except as expressly set forth herein.

ARTICLE XIX

DISCLAIMERS

Section 19.01. Disclaimer of Representations or Warranties. EXCEPT AS EXPRESSLY PROVIDED IN THIS DECLARATION, NO REPRESENTATION OR WARRANTY OF ANY KIND OR NATURE WHATSOEVER, WHETHER EXPRESS OR IMPLIED, HAS BEEN GIVEN OR MADE BY DECLARANT OR ITS DIRECTORS, OFFICERS, MEMBERS, SHAREHOLDERS, AGENTS OR EMPLOYEES (OR THE SUCCESSORS OR ASSIGNS OF ANY OF THE FOREGOING) IN CONNECTION WITH THE PROPERTY (INCLUDING ANY LOT, DWELLING, COMMON AREA OR AREAS OF COMMON RESPONSIBILITY), ITS PHYSICAL CONDITION, ZONING, COMPLIANCE WITH APPLICABLE LAWS, MERCHANTABILITY, HABITABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR IN CONNECTION WITH THE SUBDIVISION, SALE, OPERATION, MAINTENANCE, COST OF MAINTENANCE, TAXES, REGULATION THEREOF OR OTHERWISE. IF ANY SUCH REPRESENTATION OR WARRANTY CANNOT LAWFULLY BE DISCLAIMED, AND AS TO ANY CLAIMS WHICH CAN BE MADE AS TO THE AFORESAID MATTERS, ALL INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, PRESUMPTIVE AND SPECIAL DAMAGES ARISING THEREFROM ARE HEREBY FULLY, FOREVER AND IRREVOCABLY WAIVED AND DISCLAIMED.

Section 19.02. Retaining Walls. Each Owner (by virtue of the Owner's acceptance of title to the Owner's Lot) acknowledges and agrees that elevation changes within the Property may have necessitated or required, or in the future may necessitate or require, the construction or installation of one or more retaining walls on or about the Property (collectively, "Retaining Wall(s)"). In connection with any such Retaining Walls, each Owner, occupant, tenant, subtenant, invitee, licensee or guest of any Lot or of the Property generally agrees to and shall: (a) exercise caution and care when around or near any Retaining Walls; and (b) not utilize any Retaining Wall or part thereof in any way, including, by way of example but not limitation, by climbing, scaling, or walking on a Retaining Wall; by affixing lights or hanging baskets or decorations on or to a Retaining Wall; by striking, piercing or damaging a Retaining Wall; or by otherwise directly or indirectly interfering with the intended purpose of any Retaining Wall. Without express prior written approval of the ARC, digging is prohibited within all easement areas adjacent to any Retaining Walls, as shown on the Plat, or as established by any written instrument Recorded by Declarant or the Association.

Section 19.03. Safety. Neither the Declarant nor the Association, nor any of their respective partners, members, officers, directors, employees, or agents shall, in any manner or way, whatsoever, be considered as or deemed or construed to be insurers or guarantors of the personal safety or security of any persons, including, without limitation, any Owner or Member or any tenant, guest, invitee, employee, agent, or family member of such Owner or Member, or of any property, whether real, personal, or otherwise, from time to time located within or upon the Property or any portion thereof. Accordingly, neither the Declarant nor the Association, nor any of their respective partners, members, officers, directors, employees, or agents shall be responsible or held liable or accountable for the injury or death of any person or for the loss of or damage to any property by reason or on account of the failure of the Declarant or the Association to limit or control access to the Property or any Retaining Walls, or by reason or on account of the ineffectiveness of any activities directed, conducted, maintained, or supported by the Declarant or Association from time to time for such purposes. In this regard, each Owner and Member, for itself and on behalf of any tenants, employees, agents, guests, invitees, or family members of such Owner, shall, by virtue of the acceptance of a deed or other conveyance of a Lot or any other portion

of the Property, be deemed to have acknowledged, understood, and agreed to the foregoing and further: (i) that notwithstanding any efforts or activities on the part of the Declarant or Association from time to time to limit or control access to the Property in general and any Retaining Wall in particular, each Owner and Member, for itself and on behalf of any tenants, employees, agents, guests, invitees, and family members of such Owner or Member: (y) shall take title to its Lots or any other part of the Property subject to, and hereby assumes, all risk of personal injury or death and damage to or loss of property, of whatever nature, while present or situate within or upon the Property; and (z) waives, and forever and irrevocably releases Declarant and Association from, any and all claims, losses, damages, causes of action or liabilities of any kind, character, or nature whatsoever with respect to any personal injury or death or damage to or loss of property while present or situate within or upon the Property; and (ii) that neither Declarant nor the Association, nor any of their respective partners, members, officers, directors, employees, or agents have made, nor has any Owner or Member, or any of Owner's or Member's tenants, employees, agents, guests, invitees, or family members relied upon, any representation or warranty, whether express or implied, pertaining to: (A) the safety of the Property; or (B) the effectiveness of any activities directed, conducted, maintained or supported by the Declarant or Association from time to time in order to limit or control access to the Property in general and any Retaining Walls in particular.

Section 19.04. Wet and Dry Retention Areas. Neither the Declarant nor the Association make any representation concerning the current or future water levels in any of the wet or dry retention areas within the Community; provided, further, neither the Declarant nor the Association bear any responsibility to attempt to adjust or modify the water levels since such levels are subject to seasonal groundwater and rainfall fluctuations that are beyond the control of the Declarant and the Association. By acceptance of a deed to a Dwelling or Lot, each Owner acknowledges that the water levels of all wet or dry retention areas may vary. There is no guarantee by Declarant or the Association that water levels will be constant or aesthetically pleasing at any particular time; at times, water levels may be nonexistent. Declarant and the Association shall not be obligated to erect fences, gates, or walls around or adjacent to any wet or dry retention areas within the Community.

Section 19.05. General.

(a) Notwithstanding anything to the contrary or otherwise contained in the Governing Documents, neither the Association, the Board, nor Declarant shall be liable or responsible for, or in any manner considered or deemed a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Property including, without limitation, residents and their families, agents, employees, contractors, subcontractors, licensees, tenants, subtenants, occupants, guests or invitees, or for any property of any such persons. Without limiting the generality of the foregoing:

(i) it is the express intent of the Governing Documents that the various provisions thereof which are enforceable by the Association or Declarant or which govern the uses of the Property, have been written, and are to be interpreted and enforced, for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof;

(ii) the Association is not empowered, nor has it been created, to act as an entity which enforces or ensures compliance with the Laws, or prevents tortious activities, actions or omissions; and

(iii) any provisions of the Governing Documents setting forth the uses of Assessments which relate to health, safety and/or welfare shall be interpreted and applied only as limitations on the uses of Assessment funds and not as creating a duty of the Association to protect or further the health, safety or welfare of any person(s), even if Assessment funds are chosen to be used for such reason.

(b) Each Owner (by virtue of the Owner's acceptance of title to the Owner's Lot) and each other person having an interest in or lien upon, or making any use of, said Lot or any portion of the Property (by virtue of accepting such interest or lien or making such uses) shall be bound by this Article XIX and shall be deemed to have automatically and irrevocably waived any and all rights, claims, demands and causes of action against the Board, the ARC, Association or Declarant and arising from or connected with any matter for which the liability of the Board, the ARC, Association or Declarant has been disclaimed in this Article XIX or in this Declaration generally.

(c) **UNLESS OTHERWISE EXPRESSLY SET FORTH HEREIN, EACH OWNER (BY VIRTUE OF OWNER'S ACCEPTANCE OF TITLE TO THE OWNER'S LOT) ACKNOWLEDGES AND AGREES THAT SAID OWNER SHALL HAVE NO RIGHTS, RIPARIAN OR OTHERWISE, IN OR TO ANY BODY OF WATER, IF ANY, LYING WITHIN OR ADJACENT TO THE DEVELOPMENT.**

(d) As used in this Article XIX, the words "Association" and "Declarant" shall each include within their meanings all of the respective directors, officers, committees and board members, employees, agents, contractors, subcontractors (including without limitation management companies), and successors and assigns of each.

Section 4. Waiver of Notice. A Director may waive notice of a meeting of the Directors before or after the date and time stated in the notice. Except as otherwise provided in this Section 4, the waiver must be in writing, signed by the Director entitled to the notice and filed with the minutes or corporate records. Attendance of a Director at any meeting shall constitute waiver of notice of such meeting, except where the Director attends for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened and does not thereafter vote for or assent to action taken at the meeting. If a meeting otherwise valid of the Board of Directors is held without notice where such is required, any action taken at such meeting shall be deemed ratified by a Director who did not attend, unless after learning of the action taken and of the impropriety of the meeting, he makes prompt objection thereto. Objection by a Director shall be effective only if written objection to the holding of the meeting or to any specific action so taken is filed with the Secretary of the Association.

Section 5. Action Upon Written Consent Without a Meeting. Action of the Board of Directors may be taken without a meeting upon the written consent signed by all members of the Board. Any such action without a meeting shall be effective on the date the last Board member signs the consent or on such date as is specified in the consent. Any such action by written consent shall have the same effect as a vote taken at a meeting of the Board of Directors.

Section 6. Board Quorum and Voting. The majority of the Board of Directors shall constitute a quorum thereof. Every act or decision done or made by a majority of the directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board. Directors may not vote by proxy or by secret ballot at board meetings, except that secret ballots may be used in the election of officers.

ARTICLE IX

Section 2. Election of officers. All officers shall hold office at the pleasure of the Board of Directors.

Section 3. Removal of officer. Section 4. Special Appointment. The Board may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such

(b) Vice President. The vice president shall act in the place and stead of the president in the event of his absence, inability or refusal to act, and shall exercise and discharge such other duties as may be required of him by the Board or the president.

Dear Sir/Madam:

Enclosed is your individual permit issued by the St. Johns River Water Management District on August 31, 2018. This permit is a legal document and should be kept with your other important documents. Permit issuance does not relieve you from the responsibility of obtaining any necessary permits from any federal, state, or local agencies for your project.

Technical Staff Report:

If you wish to review a copy of the Technical Staff Report (TSR) that provides the District's staff analysis of your permit application, you may view the TSR by going to the Permitting section of the District's website at www.sjrwmd.com/permitting. When you see the results of your search, click on the permit number and then on the TSR folder.

Noticing Your Permit:

For noticing instructions, please refer to the noticing materials in this package regarding closing the point of entry for someone to challenge the issuance of your permit. Please note that if a timely petition for administrative hearing is filed, your permit will become non-final and any activities that you choose to undertake pursuant to your permit will be at your own risk.

Transferring Your Permit:

"EXHIBIT A"
CONDITIONS FOR ISSUANCE OF PERMIT NUMBER 154396-1
Vilano Subdivision (aka Seaside Vista Subdivision)
DATED August 31, 2018

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with Rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under Chapter 373, F.S.
2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the District staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.
3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in subparagraph 62-330.050(9)(b)5, F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.
4. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the District a fully executed Form 62-330.350(1), "Construction Commencement Notice," (October 1, 2013) (<http://www.flrules.org/Gateway/reference.asp?No=Ref-02505>), incorporated by reference herein, indicating the expected start and completion dates. A copy of this form may be obtained from the District, as described in subsection 62-330.010(5), F.A.C., and shall be submitted electronically or by mail to the Agency. However, for activities involving more than one acre of construction that also require a NPDES stormwater construction general permit, submittal of the Notice of Intent to Use Generic Permit for Stormwater Discharge from Large and Small Construction Activities, DEP Form 62-621.300(4)(b), shall also serve as notice of commencement of construction under this chapter and, in such a case, submittal of Form 62-330.350(1) is not required.
5. Unless the permit is transferred under Rule 62-330.340, F.A.C., or transferred to an operating entity under Rule 62-330.310, F.A.C., the permittee is liable to comply with the plans, terms and conditions of the permit for the life of the project or activity.
6. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:
 - a. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex — "Construction Completion and Inspection Certification for Activities Associated with a Private Single-Family Dwelling Unit" [Form 62-330.310(3)]; or

b. For all other activities — "As-Built Certification and Request for Conversion to Operation Phase" [Form 62-330.310(1)].

c. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.

7. If the final operation and maintenance entity is a third party:

a. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.4 of Volume I) as filed with the Florida Department of State, Division of Corporations and a copy of any easement, plat, or deed restriction needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.

b. Within 30 days of submittal of the as-built certification, the permittee shall submit "Request for Transfer of Environmental Resource Permit to the Perpetual Operation and Maintenance Entity" [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.

8. The permittee shall notify the District in writing of changes required by any other regulatory District that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.

9. This permit does not:

- a. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in Chapter 62-330, F.A.C.;
- b. Convey to the permittee or create in the permittee any interest in real property;
- c. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or
- d. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.

10. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under Chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.

11. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.

12. The permittee shall notify the District in writing:

- a. Immediately if any previously submitted information is discovered to be inaccurate; and

- b. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with Rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.
13. Upon reasonable notice to the permittee, District staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.
 14. If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, stone tools, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section (DHR), at (850) 245-6333, as well as the appropriate permitting agency office. Project activities shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and the proper authorities notified in accordance with Section 872.05, F.S. For project activities subject to prior consultation with the DHR and as an alternative to the above requirements, the permittee may follow procedures for unanticipated discoveries as set forth within a cultural resources assessment survey determined complete and sufficient by DHR and included as a specific permit condition herein.
 15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under Rule 62-330.201, F.A.C., provides otherwise.
 16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.
 17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the District will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
 18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.
 19. This permit for construction will expire five years from the date of issuance.
 20. At a minimum, all retention and detention storage areas must be excavated to rough grade prior to building construction or placement of impervious surface within the area to be served by those facilities. To prevent reduction in storage volume and percolation rates, all accumulated sediment must be removed from the storage area prior to final grading and stabilization.

21. All wetland areas or water bodies that are outside the specific limits of construction authorized by this permit must be protected from erosion, siltation, scouring or excess turbidity, and dewatering.
22. The operation and maintenance entity shall inspect the stormwater or surface water management system once within two years after the completion of construction and every two years thereafter to determine if the system is functioning as designed and permitted. The operation and maintenance entity must maintain a record of each required inspection, including the date of the inspection, the name and contact information of the inspector, and whether the system was functioning as designed and permitted, and make such record available for inspection upon request by the District during normal business hours. If at any time the system is not functioning as designed and permitted, then within 30 days the entity shall submit a report electronically or in writing to the District using Form 62-330.311(1), "Operation and Maintenance Inspection Certification," describing the remedial actions taken to resolve the failure or deviation.
23. The permittee has documented its real property interest over the land upon which the activities subject to the application will be conducted as evidenced by a contract to purchase the real property included in the application. In accordance with Section 4.2.3.(d), ERP Applicant's Handbook, Volume I, work cannot begin until proof of ownership is provided to the Agency.
24. The Surface Water Management System must be constructed and operated in accordance with the plans received by the District on August 24, 2018.
25. No wetland or surface water impacts are authorized as part of this permit.
26. A fence shall be installed along the 50' buffer line as per the plans submitted on August 24, 2018, in order to protect the 25' upland buffer adjacent to the wetlands.

Notice Of Rights

1. A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the St. Johns River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code, the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P. O. Box 1429, Palatka Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) or by e-mail with the District Clerk at Clerk@sjrwmd.com, within twenty-six (26) days of the District depositing the notice of District decision in the mail (for those persons to whom the District mails actual notice), within twenty-one (21) days of the District emailing the notice of District decision (for those persons to whom the District emails actual notice), or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes, and Chapter 28-106, Florida Administrative Code. The District will not accept a petition sent by facsimile (fax), as explained in paragraph no. 4 below.
2. Please be advised that if you wish to dispute this District decision, mediation may be available and that choosing mediation does not affect your right to an administrative hearing. If you wish to request mediation, you must do so in a timely-filed petition. If all parties, including the District, agree to the details of the mediation procedure, in writing, within 10 days after the time period stated in the announcement for election of an administrative remedy under Sections 120.569 and 120.57, Florida Statutes, the time limitations imposed by Sections 120.569 and 120.57, Florida Statutes, shall be tolled to allow mediation of the disputed District decision. The mediation must be concluded within 60 days of the date of the parties' written agreement, or such other timeframe agreed to by the parties in writing. Any mediation agreement must include provisions for selecting a mediator, a statement that each party shall be responsible for paying its pro-rata share of the costs and fees associated with mediation, and the mediating parties' understanding regarding the confidentiality of discussions and documents introduced during mediation. If mediation results in settlement of the administrative dispute, the District will enter a final order consistent with the settlement agreement. If mediation terminates without settlement of the dispute, the District will notify all the parties in writing that the administrative hearing process under Sections 120.569 and 120.57, Florida Statutes, is resumed. Even if a party chooses not to engage in formal mediation, or if formal mediation does not result in a settlement agreement, the District will remain willing to engage in informal settlement discussions.
3. A person whose substantial interests are or may be affected has the right to an informal administrative hearing pursuant to Sections 120.569 and 120.57(2), Florida Statutes, where no material facts are in dispute. A petition for an informal hearing must also comply with the requirements set forth in Rule 28-106.301, Florida Administrative Code.

Notice Of Rights

4. A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8:00 a.m. – 5:00 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8:00 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, Florida Administrative Code), which is available for viewing at sirwmd.com. These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile is prohibited and shall not constitute filing.
5. Failure to file a petition for an administrative hearing within the requisite timeframe shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, Florida Administrative Code).
6. The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. A person whose substantial interests are or may be affected by the District's final action has the right to become a party to the proceeding, in accordance with the requirements set forth above.
7. Pursuant to Section 120.68, Florida Statutes, a party to the proceeding before the District who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action.
8. A District action is considered rendered, as referred to in paragraph no. 7 above, after it is signed on behalf of the District and filed by the District Clerk.
9. Failure to observe the relevant timeframes for filing a petition for judicial review as described in paragraph no. 7 above will result in waiver of that right to review.

Please be advised that the St. Johns River Water Management District will not publish a notice in the newspaper advising the public that it has issued a permit for this project.

Newspaper publication, using the District's notice form, notifies members of the public of their right to challenge the issuance of the permit. If proper notice is given by newspaper publication, then there is a 21-day time limit for someone to file a petition for an administrative hearing to challenge the issuance of the permit.

To close the point of entry for filing a petition, you may publish (at your own expense) a one-time notice of the District's decision in a newspaper of general circulation within the affected area as defined in Section 50.011 of the Florida Statutes. If you do not publish a newspaper notice to close the point of entry, the time to challenge the issuance of your permit will not expire and someone could file a petition even after your project is constructed.

A copy of the notice form and a partial list of newspapers of general circulation are attached for your convenience. However, you are not limited to those listed newspapers. If you choose to close the point of entry and the notice is published, the newspaper will return to you an affidavit of publication. In that event, it is important that you either submit a scanned copy of the affidavit by emailing it to compliancesupport@sjrwmd.com (preferred method) or send a copy of the original affidavit to:

Office of Business and Administrative Services

A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the St. Johns River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code (F.A.C.), the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P.O. Box 1429, Palatka FL 32178-1429 (4049 Reid St, Palatka, FL 32177) or by e-mail with the District Clerk at Clerk@sjrwmd.com, within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes (F.S.), and Chapter 28-106, F.A.C. The District will not accept a petition sent by facsimile (fax). Mediation pursuant to Section 120.573, F.S., may be available and choosing mediation does not affect your right to an administrative hearing.

A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8 a.m. – 5 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, Florida Administrative Code), which is available for viewing at www.sjrwmd.com. These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile (fax) is prohibited and shall not constitute filing.

The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. **Failure to file a petition for an administrative hearing within the requisite time frame shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, F.A.C.).**

If you wish to do so, please visit http://www.sjrwmd.com/nor_dec/ to read the complete Notice of Rights to determine any legal rights you may have concerning the District's decision(s) on the permit application(s) described above. You can also request the Notice of Rights by contacting the Director of Business and Administrative Services, 4049 Reid St., Palatka, FL 32177-2529, tele. no. (386)329-4570.
